B- BEFORE YOU TRAVEL
This section includes: Being prepared - get the right insurance, take health precautions, know the latest foreign office (FCO) advice and have the documentation you need for travel. E- HOW WE USE YOUR PERSONAL DATA
This section includes: Information about the need to pass your data to our suppliers and how we'll use it for marketing and for other purposes such as improving our service. We can also use personal data for preventing or detecting fraudulent claims/other crime.

GENERAL

Our company details: We are Thomas Cook Tour Operations Limited, a company registered in England and Wales under company number 3772199. Our registered office address is at Westpoint, Peterborough Business Park, Lynch Wood, Peterborough, PE2 6FZ.
In these booking conditions, when we use the words "we" "us" or "our", we mean Thomas Cook Tour Operations Limited. When we use "you" or "your", we mean the person who made the booking with us (the 'Lead Name' as described in paragraph 3).
ABTA Code of Conduct: We are a member of ABTA (number V6896), the UK's largest travel association and these Booking Conditions comply with the ABTA Code of Conduct.

Which Laws Apply To This Contract?: Your contract with us is a contract for services and is subject to English law. If you want to take legal action against us, you can only issue that legal action in a court in England or Wales, unless you live in Northern Ireland or Scotland, in which case the courts of Northern Ireland or Scotland (as appropriate), can deal with any disputes.

Different Terms & Conditions For Different Types of Travel Arrangements: If you've booked a package holiday with us (as defined by the Package Travel and Linked Travel Arrangements Regulations 2018 ("PTR"), these booking conditions refer to that type of booking as your "Holiday". However, if you've only booked flight seats, or only booked accommodation, or any other single travel arrangement, these booking conditions refer to that type of booking as "Single Components". These booking conditions apply to Holidays and Single Components, but you'll see that in paragraphs 2 (Price Changes After Booking), 6 (Financial Protection) and 24 (Our Liability To You for Single Components) below, the terms and conditions for Single Components are different to those for Holidays. We also sell excursions, which can be booked either at the same time as booking a Holiday, after booking a Holiday, or locally in the destination. Excursions are sold by us as an agent for local suppliers. Only if you book an excursion at the same time as booking your Holiday will that excursion form part of your Holiday package ("Packaged Excursion"). Excursions will be subject to paragraph 18 (Excursions) and the following Suppliers' Conditions.

Our third party suppliers also have their own terms and conditions ("Suppliers' Conditions"). They govern the services they provide and you'll be bound by these, even if you have a contract with us. In the event of any conflict between a supplier's terms and conditions and these booking conditions, the supplier's term or condition that conflicts with ours will take precedence, unless it is deemed under English law to be invalid or unenforceable, in which case the relevant term or condition in our booking conditions will prevail. Some of our suppliers' conditions may limit or exclude their liability to you and, because they'll apply to your contract with us, may also limit or exclude our liability to you. Suppliers' terms and conditions are often subject to international conventions too, which limit their (and our) liability. You can get copies of the relevant supplier's terms and conditions if you ask us. Some of the accommodation we make available is sourced from third party suppliers such as Travelscape, LLC or Vacationspot, SL. Where either of those companies is used, Travelscape, LLC or Vacationspot, SL is the supplier to us of the accommodation provided under your booking.

SECTION A - YOUR BOOKING WITH US

1. ACCURACY OF INFORMATION & ADVERTISED PRICES

Holiday Descriptions: We have to prepare our publications a long time before they're printed. This means information can sometimes have changed by the time the guides are issued. Changes can also occur after guides are issued (or after website content is published) - for example, hotels might withdraw facilities due to maintenance or bad weather, building work might start, or some services/activities might not be available at the start or end of the holiday season. If we're made aware of any significant changes, we include updates on our website and booking system so you'll receive the latest information when you book. If, after you've booked, we're told about significant building work or other noise likely to affect your enjoyment, or the withdrawal of any significant facility at your accommodation, we'll tell you as soon as possible before you travel. Transfer times we give for travel between the airport and resort are approximate; the journey time to your chosen property may be longer than estimated.

Advertised Prices: All prices can change (up or down) at any time before a booking is made. Prices on our web site and on our booking system (used by travel agents) are updated daily. Mistakes or computer errors occasionally occur, so if any price on our website or booking system is obviously wrong, then any booking made based on that price won't be valid, and we'll be entitled to cancel it and give you a full refund, unless you want to pay the correct price.
Local Charges: Charges may be made in resort for certain facilities/activities such as watersports, sun loungers, sun umbrellas, safety deposit boxes, laundry services, mini bars, air conditioning, resort fees, city taxes, etc. See our Holiday Information pages.

2. PRICE CHANGES AFTER BOOKING

After you've made a confirmed booking for a Holiday, there are limited circumstances in which the price of that Holiday can increase. However, the price of Single Components may increase if the component supplier (e.g. hotelier, airline, etc.) changes their prices. In the case of **Holidays**; there will be no change to the price within 20 days of your scheduled UK departure date, but we can increase the price of your Holiday at any time up to 20 days before the departure date if we need to do so because there's been a change in the cost of providing your Holiday that's outside of our control, such as the cost of fuel or other power sources used for transportation, taxes or fees (such as tourist/airport/port taxes and fees), or exchange rates. If the price of your holiday does increase, you'll have to pay plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means you'll have to pay an amount that's more than 8% of your Holiday price, you'll have three choices, either: 1) accept the price increase; 2) you can accept a change to a different Holiday that we offer you. If the holiday we offer is of equivalent or higher quality you won't have to pay more, and if it's of lower quality we'll refund the difference in price; or 3) if we can't offer an alternative, or if you don't want to accept the alternative Holiday we offer, you can cancel and receive a full refund (except for any amendment charges you've paid). You may also be entitled to compensation in accordance with paragraph 23 if you decide to cancel. You need to decide on option 1), 2) or 3) within 14 days of the date we notify you of the price increase. If we do not hear from you, we shall send a reminder to you, and if you still do not respond then we may cancel your Holiday and provide you with a refund. We may be able to refund any insurance premium you've paid if you can show that you can't transfer or re-use your travel insurance policy. Should the cost to us of providing your Holiday go down due to any of the changes mentioned above, then we'll refund the amount of the decrease that exceeds our administrative expenses of processing the refund.

Single Components: Price increases may occur any time prior to your UK departure date and you'll have to pay any such increases in full.

3. MAKING A BOOKING AND PAYING

Our guides and website provide all the information you should need to choose the holiday that's right for you. However, if you need any extra help or information, you should speak to your travel agent or contact our online customer help team.

On Request Bookings: A Holiday or Single Component booking isn't confirmed until we issue a confirmation invoice. Some travel and accommodation arrangements are only available on an 'on request' basis and we can't confirm these until we receive confirmation from our supplier. Any arrangements that are provisionally booked 'on request' are not confirmed or guaranteed and are subject to change (including price) until we receive confirmation from our supplier. This particularly applies when booking Holidays with flights on a scheduled airline a long time before departure, when seats haven't yet been loaded onto reservations systems by the airline. It also applies to bookings attempted online which are not immediately confirmed by us by email confirmation.

The Lead Name & Their Responsibilities: The person who instructs us to make the booking, who signs the booking form (if booking with a travel agent) or who completes the booking online or by telephone is the 'Lead Name'. He or she must be 18 years of age or over at the time of booking (or 21 years in some cases as required by the supplier of services - you will be advised if this applies at the time of booking). Please note that any booking for someone under 18 (or 21 if applicable) is expressly subject to our Age Policy (see paragraph 5).

The Lead Name is the person who is entering into the contract with us. By making a booking, the Lead Name is agreeing to these booking conditions (which include the information in the Holiday Information pages). The Lead Name is the person responsible for paying the total booking price, including any insurance premiums and subsequent cancellation or amendment charges that may be payable - even if any of the other people travelling on the booking fail to pay their share of the price. The Lead Name agrees to provide all those who are named as passengers on the booking with accurate and full information regarding the travel arrangements booked, including any changes made to those arrangements by us or the Lead Name, and confirms that all those named passengers, including any that may be added at a later date, agree to be named on the booking and agree to be bound by these booking conditions. When a booking has been confirmed by us, only the Lead Name can cancel or amend the booking. However, in the case of the death or serious illness of the Lead Name we'll accept a written instruction to cancel or amend signed by another person named on the booking.

Payment For Your Booking:

At the time of booking your Holiday or Single Component you agree to pay us either:

- (i) a non-refundable deposit for Holiday bookings of £200 per person (£250 per person for long haul holidays); or,
- (ii) a non-refundable deposit amount advised to you at the time of booking that is specific to the travel services that form part of your Holiday or Single Component. This might apply, for example, where your booking includes a flight to a hotel that requires full payment at the time the booking is confirmed; or,
- (iii) the full cost if (a) it is required by the supplier of the travel arrangements; or (b) if you are booking a Holiday 12 weeks or less before your travel date (unless paying by direct debit).

Your travel agent may offer you different payment options (such as a different balance due date, or low/zero deposit booking offers which may be linked to paying by direct debit). Those options apply together with these booking conditions, and your payment obligations to us under these booking conditions apply whether or not you agree to different payment options at the time of booking. If you do accept the payment option of Direct Debit instalments offered through a Thomas Cook Retail store, contact centre or website, then your payments will be subject to the Direct Debit Terms & Conditions which can be read here: <https://www.thomascook.com/direct-debit/>

PLEASE NOTE: IF YOU DO NOT PAY ON TIME, WE HAVE THE RIGHT TO CANCEL YOUR BOOKING AND TO RETAIN OR MAKE A CANCELLATION CHARGE IN ACCORDANCE WITH THESE BOOKING CONDITIONS.

Special Requests: If you have a special request for something that is not automatically part of your booking (e.g. quiet room, low floor room, vegan meal on the flight, etc), please make the request at the time of booking. We will pass your request on to the relevant supplier to ask if they can provide what you want. Special requests are not guaranteed to be met - even if we've made a note of your request on your invoice. That just means we've received the request and have passed it on to the supplier. We will not pay compensation for failing to meet a special request unless we've confirmed separately in writing to you that the request will be met. When you make a special request, you agree that any personal data you provide including sensitive personal data, has to be passed to the relevant supplier to fulfill that request, and you consent to this happening. Please see paragraph 26 (Data Protection) for more information.

4. CONFIRMING YOUR CONTRACT WITH US

Once you've booked we'll issue a confirmation invoice setting out the travel details and price. A contract will exist between you and us when we issue the confirmation invoice. **Please check the details on your confirmation invoice carefully. If you have any questions, or anything does not appear to be right, you must contact our reservations staff or your travel agent, immediately.** As mentioned above, pay particular attention to the date your final payment is due as we may cancel your Holiday / Single Component if you don't make your final payment on time. If we do this we'll keep your deposit. If we agree to extend the deadline for you to pay the final payment at your request, and you still fail to pay by the agreed new deadline, we'll cancel the booking and you'll be liable to pay cancellation charges in accordance with the scale set out in paragraph 10 'If You Want To Cancel Your Booking'.

5. AGE POLICY

If you are under 18 (or 21 in some cases) at the time of booking and wish to travel without an adult accompanying you, we'll only allow you to travel if you meet the following conditions in addition to any other specific conditions/restrictions advised at the time of booking or shown on your confirmation invoice:

- You will only be allowed to travel/stay in the accommodation if you can satisfy our supplier's age policy (note, some suppliers refuse to accept groups of under 18s and/or passengers aged below 21), and, when applicable, you've provided accurate ages for each child (based on their age on the date of return from the Holiday).
- Some of our Holidays and/or suppliers have a minimum/maximum age range (e.g. Club 18-30 holidays have an age range of 17-35, except for all inclusive holidays (see below). Some holidays are for adults only and the minimum accepted age will vary);
- In some accommodation, under 18s travelling without an adult are not allowed to stay on an all-inclusive board basis;
- We do not permit anyone under 16 to travel without an adult.
- If you want to travel without being accompanied by an adult (aged 18 or over) and meet the above conditions, you must still provide written authority from your parent or legal guardian. Your parent/legal guardian must sign the booking form in the presence of a travel agent (telephone and online bookings cannot be made if you are under 18). The travel agent may ask your parent/guardian to produce a copy of their passport showing their name and signature. Written permission from a parent/guardian cannot be accepted unless their signature can be checked. By signing the booking form, your parent/guardian will become the Lead Name (as described in paragraph 3) even though they won't be travelling, and will be the person who enters into the contract with us.
- Where we allow you to travel without being accompanied by an adult (aged 18 or over), you must take written authority from your parent/legal guardian with you as this may need to be given to the accommodation supplier. Failure to comply with the above conditions may result in your booking being cancelled at any point before or after your departure. If this happens, you will be liable for any costs incurred in finding/paying for alternative accommodation and/or transport home.

6. FINANCIAL PROTECTION

Package Holidays: The flight inclusive Package Holidays provided by us are financially protected by the ATOL scheme, since we hold an ATOL granted by the CAA. Our ATOL number is 1179. When you buy a flight inclusive Package Holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the travel services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances, the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it may not be possible for the CAA to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or against your credit card issuer, where applicable). Where you book with us via an agent, payments you make to that agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pass on such payments to us for so long as we do not fail. In the unlikely event of our failure, any of your payments held at that time by the agent or any payment subsequently accepted from you by the agent, is and continues to be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such

a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

When you book a Package Holiday with us that does not include a flight, financial protection is provided by the bond we hold with ABTA.

Single Components: Please note, with the exception of flight only bookings in the unlikely event of our collapse/insolvency, any money you have paid is not protected by a scheme of financial protection. If this is important to you, we recommend you book a Package Holiday with us or obtain suitable travel insurance.

SECTION B - BEFORE YOU TRAVEL

7. TRAVEL INSURANCE

Each person travelling on your booking must hold adequate travel insurance cover suitable for the type of trip you've booked. Thomas Cook can offer travel insurance but you don't have to buy our insurance and can choose to obtain cover from any other provider. You should consider buying travel insurance either at the time of booking or as soon as possible after booking (if you don't already have it) so that you have cover in case you need to cancel before travel. Your travel insurance should also provide cover for medical emergencies, such as illness or injury while you're away. We cannot be responsible for any costs you incur as a result of failing to take out adequate travel insurance.

8. TRAVEL DOCUMENTS AND HEALTH ADVICE

It's your responsibility to make sure everyone travelling has valid travel documents (e.g. Passport, Visa) and has followed health advice. For up to date UK Government health & travel advice please visit www.gov.uk/foreign-travel-advice, www.hpa.org.uk and www.nathnac.org and contact your GP. Please also see our Holiday Information pages and website for more information. We can't accept any liability for your failure to do this. If we or your carrier are fined because anyone on your booking didn't have the correct documents/vaccinations, etc., you'll have to reimburse us.

9. ADVANCE PASSENGER INFORMATION

To comply with UK and International regulations on Border Control and Aviation Security, before travel you must provide passport and certain other information, for each person travelling to the airline that is going to carry you ('Advance Passenger Information' or 'API'). Please check your booking documents for details of how and when to submit this information. Failure to provide API by the deadlines stated (which may be several weeks before travel), could mean you can't travel or, if the airline allows you to submit the information at the airport, you may be charged for this.

10. IF YOU WANT TO CANCEL YOUR BOOKING

Only the Lead Name on the booking can ask us to cancel it or to remove any of the named passengers from it. You must put your instruction to cancel the booking or cancel off any passenger in writing and either give it to your Travel Agent or send it to our correspondence address as stated on our confirmation invoice. The cancellation charges shown below apply from the date we receive your cancellation instruction at our offices or from your Travel Agent.

In order to cover our expected losses from the cancellation there's a set scale of charges which must be paid by you if you or anyone travelling with you cancels or you cancel any services or arrangements that form part of your booking with us. The charges are a percentage of the cost of the arrangements being cancelled.

Days before departure date when we receive your notice to cancel	Cancellation charge for Holidays and Single Components
More than 84 days	Loss of deposit*
84-64 days	30% (or loss of deposit if greater)*
63-50 days	50% (or loss of deposit if greater)*
49-29 days	70% (or loss of deposit if greater)*
28-15 days	90% (or loss of deposit if greater)*
14 days or fewer	100% cost of holiday

*The minimum cancellation charge for Holiday bookings will be the loss of the full holiday deposit of £200 per person.

Note: The above cancellation charges apply to all bookings, except where a booking includes items or services for which our supplier's own cancellation charges are more than the ones shown above. In that case, any additional cancellation charges will be advised at the time of booking, or a higher (non-refundable) deposit or full payment will be payable at the time of booking to cover the potential cancellation charge.

If any member of the booking cancels and you can't fill that person's place, you may have to pay extra for your accommodation. For example, you may have to pay single or under-occupancy supplements. If you cancel, you must still pay any insurance premiums and amendment charges which arose before the cancellation, and any deposits paid for any pre-booked items or services.

Please ensure you understand what charges you'll have to pay if you cancel your booking or cancel someone off it, and ask us before you book.

Optional Extras: 'Optional Extras' means anything you choose to add to your booking that's not already included in the price (such as flight extras, flight upgrades, car hire, airport parking/hotels, weddings, park tickets, tours, excursions). If you cancel any Optional Extras for which there's a cost, we'll retain any deposit paid for the Optional Extra or we'll apply cancellation charges (as set out in the table above) if you cancel the Optional Extra after your full Holiday cost has been paid. If you cancel any travel insurance you bought through us your premium will not be refunded, as cover under the policy will have begun when it was first taken out.

You may cancel a Holiday booking without paying the charges set out above if Circumstances Beyond our Control (as described in paragraph 12) occur in the place of destination or its immediate vicinity and we have confirmed to you that they will significantly affect the Holiday or your transport to the place of destination. In these circumstances, we will refund the cost of your Holiday but you will not be entitled to any compensation. Also, you must still pay any insurance premiums and amendment charges which arose before the cancellation, and any deposits paid for any pre-booked items or services.

11. CHANGES YOU MAKE BEFORE TRAVEL

If you want to change your travel arrangements before you travel, we'll try to help but we can't guarantee it will always be possible, because changes are subject to availability at the time and to the supplier's terms and conditions. If we can make the change you ask for, you'll have to pay for any additional services, facilities, or other items you request at the price which applies on the day the change is made. We'll also apply an amendment charge for each person on the booking and for each item you want to change as shown in the table below. Any booking discount you may have received at the time the original booking was made may be altered or reduced whenever changes are made. If the number of people in your accommodation changes, you may have to pay extra and may lose any free or reduced infant and child places or any free group places. Any change to your departure date, airport, transport, destination, accommodation, or length of holiday must apply to everyone on your booking.

Our Amendment Charges			
All costs shown are our own fees and are per person per change. These don't include any supplier charges - see 'Our Suppliers' Charges' section below.			
	Notice given more than 84 days	Notice given 84-29 days	Notice given 28 days or less
Destination Airport change	No amendment fee if new holiday cost is higher. Otherwise £50 per person per change	£150 per person up to maximum of £500 per booking in any one day	Cancellation charges see paragraph 10

Accommodation Room Type/ Category or Board Basis change	No amendment fee if new holiday cost is higher. Otherwise £50 per person per change.		
Customer Name change	£50 per name change		

Our Suppliers' Charges			
If the relevant supplier does allow changes you'll have to pay the amendment charges imposed by the supplier. We'll tell you what those charges are at the time you request for the change to your booking to be made. If you would like details of those charges before you make a booking with us, please ask us and we will check the current charges with the suppliers involved in your booking. Please note however, that suppliers' charges may change between the time you book and the time you request a change to be made. Please also note that destination, date, accommodation and name changes can be treated by some suppliers as a cancellation and re-booking, regardless of the period of notice you give to us. Suppliers may charge up to 100% of the transport and/or accommodation element of your booking and you must also pay our amendment charge listed in the table above.			
In all cases, we will treat a request to change the date of travel to another date more than 6 months after your original travel date as a cancellation and rebooking and our cancellation charges will apply (as set out in paragraph 10).			
Name Changes: You may change any or all names on your booking provided that the new person(s) satisfies all the conditions which apply to the booking. You may have to pay additional administration charges if you make a name change on the day of departure (where permitted). Name changes (including changes to initials), on bookings including transportation and/or accommodation may be treated as a cancellation and re-booking and you'll be asked to pay any costs we incur from the transport or accommodation provider, plus our applicable amendment charge set out in the table above. If the Lead Name is removed from the booking, someone must replace that person as the Lead Name and will accept the responsibility for the booking as set out in paragraph 3 (Making a booking and paying).			

12. CHANGES MADE BY US BEFORE YOU TRAVEL

Sometimes we'll have to make changes to your booking arrangements. Significant Changes. If any change will have a significant effect on your Holiday, we'll tell you about it before you travel (if there is time). The sort of significant changes we'll tell you about include:

- A change of UK departure airport (although a change between London airports including Gatwick, Heathrow, Stansted and Luton will not usually be considered significant).
- A change to your destination.
- A change of more than 12 hours to the time you leave the UK or your destination.
- If we downgrade your accommodation by one full 'Tour Operator' rating, or.
- If the swimming pool will not be available for an extended period during your Holiday and no alternative pool is available either at the property or nearby.
- A change of any special requests (as described in paragraph 3) which we have accepted and confirmed will be provided.

If you agree to the change, we will give you a price reduction if the change results in a Holiday of lesser quality or cost. If you don't want to accept a significant change that we tell you about before you depart, we will, if we're able to do so, offer you an alternative Holiday of equivalent or closely similar standard and price at no extra cost, or a Holiday of lesser quality or cost, in which case we will refund the difference in price. If you don't wish to take the alternative Holiday we offer you, you can choose another one of our Holidays and pay, or receive a refund of, any price difference. Alternatively, if you prefer, you can cancel your booking and receive a full refund of any money you've paid to us, except for any amendment charges which arose before cancellation. We'll consider an appropriate refund of insurance premiums paid if you can show that you're unable to transfer or reuse your policy. We will give you a reasonable period of time to decide which of the options described above you would like to take. If we do not hear from you, we shall send a reminder to you, and if you still do not respond then we may cancel your Holiday and provide you with a refund.

Unless the change is as a result of circumstances listed in the paragraph below headed 'Changes Due To Circumstances Beyond our Control', we'll pay you compensation as shown in the table below. If you accept the significant change or amend to a different Holiday offered for sale by us you'll receive compensation in Option 1 of the table below. If you reject the significant change and cancel your booking you'll receive compensation in Option 2. The amounts in the table are by way of guideline only and may, in appropriate circumstances, be increased. Any children not paying the full adult price will receive 50% of these amounts. There are no compensation payments payable to those travelling on 'free child places', 'free group places' or for infants.

Period of notice we give you or your travel agent before departing	Compensation for each full price customer	
	Option 1	Option 2
More than 84 days	£0	£0
84-43 days	£10	£5
42-29 days	£20	£10
28-11 days	£30	£15
10-0 days	£40	£25

Other Changes: Any change which is not deemed to be significant, as outlined above, will be classed as a minor change. We'll try to tell you about a minor change before you travel but we won't pay any compensation for a minor change.

Aircraft Changes: The flights we offer are operated by a range of scheduled or charter airlines, using a range of aircraft. It may not be possible at the time of booking to specify the airline or type of aircraft. Two airlines may share the same services, so a flight may not be operated by the airline whose designated code is shown on your itinerary and travel documents. We're required to inform you of the identity of the airline operating your flight. Any changes to the operating airline will be notified to you in all cases at check in or at the boarding gate. We reserve the right to change airlines or aircraft types at any time and any changes of this type are not a significant change.

Changes Due To Circumstances Beyond Our Control: Except where we say differently elsewhere in these booking conditions, we cannot pay any compensation, reimburse expenses, or cover losses for any amount or otherwise accept responsibility if, as a result of circumstances beyond our control, we have to change your Holiday or Single Component after booking, or we, or our suppliers, have informed you that we cannot supply your Holiday / Single Component, as we, or they, had agreed. When we refer to circumstances beyond our control we mean any situation beyond our control and the consequences of which could not have been avoided even if all reasonable measures had been taken. Such circumstances will usually include, but are not limited to, war, threat of war, airport closures, airspace closures (as well as other air traffic management decisions which may give rise to long or overnight delays or cancellations of one or more flights), the inability of airline(s) to operate flights as a result of the United Kingdom's decision to leave the European Union (including the loss or restriction of air traffic or transit rights or the right of airline(s) to enter any airspace), epidemic, significant risks to human health such as the outbreak of a serious disease at the travel destination, natural or nuclear disaster, serious security problems such as terrorist activity, civil unrest or events arising out of political instability, industrial dispute or strikes, bad weather (actual or threatened), Foreign Office advising against travel to a particular destination and significant building work taking place outside of your accommodation (such as resort development).

13. CANCELLATION BY US

On rare occasions, we may need to cancel your Holiday and have the right to do so - for example, if there is insufficient demand for your particular Holiday. If we have to cancel your Holiday we'll tell you as soon as reasonably possible. If we can do so, we'll offer you an alternative Holiday of equivalent or closely similar standard and price at no extra cost to you, or a Holiday of lesser quality or cost, in which case we'll refund the difference in price. If you don't wish to take the alternative we offer you, you can choose another one of our Holidays and pay, or receive a full refund of, any price difference. Alternatively, if we can't offer an alternative Holiday that you're happy to accept, you can have a full refund of any money you've paid to us, except for any amendment charges which arose before cancellation. We'll consider an appropriate refund of insurance premiums paid if you can show that you're unable to transfer or reuse your policy. We won't cancel your Holiday within 12 weeks of departure except if we're forced to do so because of Circumstances Beyond Our Control. We will give you a reasonable period of time to decide which of the options described above you would like to take. If we do not hear from you, we shall send a reminder to you, and if you still do not respond then we may cancel your Holiday and provide you with a refund. No compensation will be payable if we cancel because of Circumstances Beyond our Control or because the minimum number of persons required to book the Holiday for it to take place (as described in your booking) has not been met. We can also cancel your booking if you fail to make payment on time. Please note that where an outward flight isn't used we have the right to cancel any other arrangements you've booked with us and you won't be able to use your return flight ticket. In these circumstances, no refund can be provided for any unused arrangements.

SECTION C - TRAVELLING AND ON HOLIDAY

14. OUR RESPONSIBILITY FOR THE PERFORMANCE OF YOUR HOLIDAY

Your agreement with us is an agreement for services. Where we provide the services, facilities or travel arrangements which make up your Holiday, we have a legal duty to use reasonable skill and care in providing them to you. Where we have arranged for third parties to provide the services, facilities or travel arrangements which make up your Holiday, we have a legal duty to use reasonable skill and care in making the arrangements for these third party suppliers to provide the services, facilities or travel arrangements to you. If we comply with any applicable regulatory or legal requirements (such as, for example, those of the Civil Aviation Authority) that will mean we and our suppliers have properly performed our obligations to you under our contract with you. Taking reasonable skill and care doesn't necessarily mean we have to comply with each and every local law and regulation particularly where these impose absolute obligations. You must show that reasonable skill and care hasn't been used by us or our supplier if you wish to make any claim against us.

We also have a liability to you for the performance of the travel services included in your Holiday, irrespective of the fact that the travel services might actually be provided by one of our third party suppliers.

You must tell us immediately of any failure to perform or improper performance of your Holiday ('Failure'). This will give us the opportunity to resolve the Failure whilst you are on your Holiday. If we refuse to do so, or it's necessary to resolve the Failure immediately, then you may resolve the Failure yourself and request reimbursement of reasonable expenses from us. However, these rights will not arise if remedying the Failure is impossible or entails disproportionate costs. In that case, your only right will be to seek a price reduction or compensation in accordance with paragraph 23.

If a significant proportion of the travel services included in your Holiday cannot be provided, we shall offer, at no extra cost to you, suitable alternative arrangements for the continuation of your Holiday. The alternative arrangements shall, where possible, be of equivalent or higher quality. Where they are of lower quality you will be entitled to a price reduction. You may only reject the alternative arrangements we offer to you if they are not comparable to what was included in your original Holiday or if the price reduction we offer to you is inadequate. If you do reject the alternative arrangements, or if we are not able to offer them, then you may, where appropriate, be entitled to a price reduction and/or compensation in accordance with paragraph 23.

If a Failure substantially affects the performance of your Holiday, and we have not resolved the problem within a reasonable period of time, you may cancel the remainder of your Holiday without paying a termination fee. If you do decide to cancel, then if your Holiday included transport to the destination, we shall repatriate you to your place of departure at no extra cost to you. You may, where appropriate, be entitled to a price reduction and/or compensation in accordance with paragraph 23.

If we are unable to ensure your return to your place of departure as agreed in your Holiday because of Circumstances Beyond Our Control, we shall bear the cost of necessary accommodation, if possible of equivalent category, for a period not exceeding three nights. This limitation shall not apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, as well as persons in need of specific medical assistance, provided that we had been notified of their particular needs at least 48 hours before the start of the Holiday.

If a longer period of accommodation than that referred to in the paragraph above is provided for in EU or EC passenger rights legislation (as described in the PTR as 'Union passenger rights legislation') concerning your mode of return transport, or such legislation does not allow the transport provider to limit its obligations as described above in the event of Circumstances Beyond our Control, then the limits set out in such legislation will apply instead.

15. 24-HOUR HOTEL SATISFACTION PROMISE

Where your holiday includes accommodation at a hotel which is part of our 24-hour promise (indicated by the 'Added Benefits' logo next to the hotel description), the terms and conditions of the Promise will apply in addition to the terms and conditions in paragraph 14 provided you have contacted us within 24 hours of your arrival at the accommodation to report a problem. Please see Section B in the Holiday Information pages for more details of the terms and conditions of our Promise.

16. FLIGHT DELAYS

We work closely with the airlines and overseas offices to make sure any flight delay is as short as possible. When a delay occurs we will try to make sure refreshments or meals are provided when appropriate. We won't do this ourselves though, because it will normally be the responsibility of the airline to do this. If you've purchased our recommended travel insurance, or a comparable policy, you should be covered if there's a long delay.

17. AIRLINE COLLAPSE

In the unlikely event that your flight back to the UK cannot be provided as planned due to the collapse of the airline on which you were due to travel, we will try to make suitable alternative arrangements for you as described in paragraph 14. You must contact us as soon as possible. We'll help you by finding an alternative return flight for you (so you may have to spend extra time in your destination until it can be arranged and this may mean you have to incur extra cost). In finding an alternative flight we'll take the approach of 'like for like'. If the flight you booked was an economy seat we'll arrange an alternative return flight in economy. If your flight seat was business or first class, we'll try to find an alternative return flight in business or first class. Our priority is to get you home as soon as possible in the same class of travel as you'd booked, so if we can only find an alternative in a lower class of travel, we'll offer you that flight, and having done so, we'll have fulfilled our obligation to you. We won't be liable for any costs you incur if you reject the alternative flight we offer and decide to make your own arrangements, or if you haven't given us the opportunity to arrange an alternative flight home for you.

18. EXCURSIONS

Excursions include any sightseeing trips, events, tours, attraction tickets or similar, which you choose to go on in resort and which you pay us extra for. Excursions can either be booked and/or paid for in your destination, or prebooked and paid for after you book your Holiday or Single Component ("Excursions Booked Separately"). Excursions can also be booked at the same time as booking your Holiday ("Packaged Excursion"). All excursions are arranged by third party suppliers and are subject to the paragraph "Suppliers' Conditions" at the start of these Booking Conditions. We accept responsibility for Packaged Excursions subject to the paragraph "Our Liability to You For Your Holiday". However, Excursions Booked Separately do not form part of your Holiday and are not governed by the PTR. We do not have any responsibility or liability whatsoever for anything which may go wrong on an Excursion Booked Separately. We, our representatives, employees or agents are acting as booking agents only for the relevant supplier of the Excursion Booked Separately. The contract for any Excursion Booked Separately is between you and the supplier of that excursion. It's your responsibility to note carefully any conditions of contract contained in any excursion advertisement, booklets, ticket or receipt you're given. For Excursions Booked Separately your excursion contract may be subject to the laws of the country in which you take the excursion and if you have a complaint about it, you may be required to bring any claim before the Courts of that country, rather than in the UK.

19. LOSS OF OR DAMAGE TO LUGGAGE

The amount of compensation we'll pay for any loss of or damage to luggage is limited in accordance with the conventions listed in paragraph 23 (iii) below. For claims for missing or damaged baggage you must follow the rules on your travel documents or included within the airline's conditions of carriage. Please note, you only have a limited amount of time within which to notify us or the airline and to make a claim. We won't accept liability for high-value items because you should insure such items for the appropriate amount.

20. CUSTOMER BEHAVIOUR

We want all our customers to have an enjoyable, carefree holiday but you must remember that you are responsible for your actions and the effect they may have on others. If we, or another person in authority, believe:

- your actions could upset, annoy or disturb other customers, our suppliers or our own staff, or put them in any risk or danger, or could cause damage to property; or
- you are unfit to travel;

we may end your Holiday and terminate your contract. You and your travelling party will be prevented from using your booked accommodation, transport, and any other travel arrangements forming part of your booking and we will not be liable for any refund, compensation or any other costs you have to pay. Alternatively at our discretion, you may be allowed to continue with your Holiday but may have to comply with specific conditions. If your behaviour or the behaviour of any members of your travelling party causes any aircraft (or other transport) to be diverted we and/or the carrier will hold you and those members jointly and individually liable for all costs incurred as a result of that diversion. We cannot accept liability for the behaviour of other people staying at your accommodation or travelling on your flight, or for any facilities/services being withdrawn as a result of their actions. We're not responsible, and we'll have no liability, for accidents or injuries, loss or damage which may have been caused as a result of: (a) your inappropriate or irresponsible behaviour; (b) any broken glass/china or the like which you've broken and/or left in a way from which injury can result; or (c) your judgment being impaired by alcohol.

Property Damage: If you or any member of your party causes any damage or breaks anything at your accommodation, you must report it promptly to a member of our staff or to the staff at the accommodation. We and/or the accommodation owner will hold you and the members of your travelling party jointly and individually liable for paying for any damage you cause to the accommodation, furniture, fixtures, fittings or any other items within or around the accommodation. If you fail to pay, you will also be liable for any legal costs incurred in pursuing a claim against you.

21. ACCEPTANCE OF RISK

Some of the activities you might choose to take part in during your Holiday may involve a degree of personal risk. The natural environment can, at times, be hazardous and many activities, such as watersports, waterslides, sleigh riding, tobogganing, and snowmobiles are activities with a risk of personal injury or death. If you decide to take part in such activities, you accept these risks and you are responsible for your own actions. Although we or our suppliers may provide instructions and tuition to you as part of the arrangements you book, any safety information/notices must be observed which will minimise these risks. Your booking is accepted by us on the basis that you understand and accept the risks involved in such activities. If at any time you or a member of your party feels uncomfortable or unsure about taking part in an activity during your Holiday, an instructor should be advised immediately. You're under no obligation to take part in or complete activities which form part of your Holiday booking if you don't feel you want to for any reason. You must ensure you have suitable travel insurance for the activities you plan to take part in.

SECTION D - MAKING A COMPLAINT AND OUR LIABILITY TO YOU

22. IF YOU HAVE A COMPLAINT

We want all our customers to have an enjoyable time. However, if you're not satisfied please complain as soon as possible to the relevant person (for example, the accommodation management or transport supplier). If they can't help, you must tell us or our local agents, using any of the contact options we've given to you on your arrival or as shown on your travel documentation. We'll do everything reasonably possible to resolve your complaint whilst you're on holiday. If you're still not satisfied, ask your Representative for a complaint case reference number. If you don't have the services of a Representative or our Local Agent, or they're not available, you must contact our Emergency Helpline (on the number shown on your travel documentation) straight away for them to help resolve the problem. When you get back home, if you're not satisfied please contact our Customer Relations team within 28 days of returning home (quoting your case reference number if you have one). Please visit www.thomascook.com/customer-relations to submit your complaint via webform (email or letter) or phone us on 01733 224814. Alternatively, you can write to us at Customer Relations Department, Westpoint, Peterborough Business Park, Lynch Wood, Peterborough, PE2 6FZ. For complaints that relate to travel on a scheduled airline or to an Excursion Booked Separately, we'll act as a liaison between you and the supplier, to try to assist in resolving the complaint. If we can't help and you want to take matters further, you must contact the supplier directly.

It's difficult and sometimes impossible to properly investigate a complaint if we're not told about it during the Holiday or once it's over. Failure to follow the above procedures during your Holiday, and/or failure to complain within 28 days of your return, may reduce or extinguish any rights you have to claim compensation from us, or from any relevant supplier. Any such rights will be reduced or extinguished if, had you followed the above procedures during your Holiday, you or we could have taken steps to reduce any loss or damage suffered or could have entirely prevented it from being suffered. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the ABTA Code of Conduct and ABTA's assistance in resolving disputes can be found on www.abta.com.

23. OUR LIABILITY TO YOU FOR YOUR HOLIDAY

(i) We will offer you an appropriate price reduction for any period during which there is a Failure (as described in paragraph 14), unless that Failure is attributable to you.

(ii) We will also offer you appropriate compensation for any damage which you sustain as a result of any Failure (including death or personal injury caused by a Failure), except where such Failure is attributable to you, a third party unconnected with the provision of the travel services included in your Holiday and is unforeseeable or unavoidable, or is due to Circumstances Beyond our Control (as described in paragraph 12).

(iii) If any international convention applies to or governs any of the services or facilities included in your Holiday and you make a claim against us of any nature arising out of death, injury, loss or damage suffered during or as a result of the provision of those services or facilities, our liability to pay you compensation and/or the amount (if any) of compensation payable to you by us will be limited in accordance with and/or in an identical manner to that provided for by the relevant international convention (in each case including in respect of the conditions of liability, the time for bringing any claim and the type and amount of any damages that can be awarded). International Conventions which may apply include: the Warsaw Convention 1929 (including as amended by the Hague Protocol of 1955 and by any of the additional Montreal Protocol of 1975) or the Montreal Convention 1999 (these relate to travel by air); the COTIF Convention concerning International Carriage by Rail 1980 (as amended); the Athens Convention 1974 (relating to travel by sea); the Geneva Convention 1973 (relating to travel by road); and the Paris Convention 1962 (relating to hotel stays). You can ask us for a copy of the relevant convention. For the avoidance of doubt, this means that we're to be regarded as having all the benefit of any limitations of compensation contained in any of these conventions or any other international conventions applicable to your Holiday.

(iv) For claims which do not involve death, personal injury or damage caused intentionally or with negligence, including if any part of your Holiday is not as described by us in our Holiday contract with you, the maximum we'll pay you in any circumstances is three times the price of the Holiday. This maximum will only be payable when every aspect of your Holiday has gone wrong and you have not received any benefit from your Holiday. Any sums received by you from suppliers will be deducted from any sum we pay to you as compensation.

(v) Where a flight ticket is downgraded or a flight cancelled or delayed, or boarding is denied by any airline in circumstances that entitle you to compensation under the Denied Boarding Regulations 2004, then you must make your claim under those Regulations directly against the airline. Any sum you're paid by the airline in this respect constitutes the full amount of your entitlement to compensation for all matters flowing from the airline's actions. If, for any reason, you don't comply with the requirement to claim against the airline and make a claim for compensation against us, you agree that, at the time we pay you any compensation, you'll make a complete assignment to us of the rights you have against the airline in relation to your claim.

(vi) If you are granted compensation or a price reduction by another party in relation to the same Failure which you claim compensation or a price reduction against us, then we may deduct the compensation or price reduction you received from the other party from any which is payable by us.

(vii) You agree to assist us in recovering from any third party any sum which may compensate us for any sums we pay you. In particular, you're obliged to assign to us any rights that you may have against any other person whose acts or omissions have caused or contributed to our legal liability to pay you compensation. You must also provide us with all assistance we may reasonably require to obtain reimbursement from any third party.

(viii) Holiday illness: Should you become ill while on Holiday, you must consult a local doctor and, in addition, report your illness to our representative (if we provide a rep service) or via our contact details as shown on our travel documentation.

We will give you a case reference number and our staff in resort can put you in touch with a local doctor and if you have questions or concerns about this you can talk to them. It's important you see a doctor and have the appropriate tests and to make sure you get the right diagnosis and treatment. You should also consult your GP upon your return to the UK. Holiday illness can be caused by many different factors, including a change of food, drinking untreated water, too much time in the sun or dehydration etc. If you think your illness was caused by something you ate at your hotel, and should you wish to make a claim against us as a result of that illness, you'll need evidence to support this from the doctor you see in resort.

You must provide us with full details of both the local doctor you saw and your GP together with written authority for us to obtain medical records and all tests/sample analysis from both those doctors. Failure to provide us with access to the records prepared at the time you were ill in resort and immediately on your return to the UK, and/or failure to follow our complaints procedure as set out in the paragraph titled "If you have a complaint", may reduce or extinguish any rights you have to claim compensation from us, or from any relevant supplier.

(ix) If, during your Holiday, you or any member of your party suffers any difficulty, we'll offer you appropriate assistance. This assistance will include providing appropriate information on health services, local authorities and consular assistance, and assisting you make distance communications and helping you to find alternative travel arrangements. We may also make a contribution towards your initial legal costs in taking action against the person(s) responsible but only if you request this within 90 days of the incident in question. All assistance (financial or otherwise) is subject to our reasonable discretion and a maximum total cost to ourselves of £1000 per booking. If you're entitled to have any costs and expenses arising from such an incident met by any insurance policy or if you obtain a costs order against anyone in relation to the incident, you must repay to us the costs and expenses we incur in assisting you.

(x) Other than as set out above, and as is detailed elsewhere in these booking conditions, we shall have no legal liability whatsoever to you for any loss, damage, personal injury or death which you suffer arising directly or indirectly from any aspect of your Holiday.

(xi) If you want to make a claim against us, you must follow the procedure set out in the paragraph above entitled "If You Have A Complaint".

24. OUR LIABILITY TO YOU FOR SINGLE COMPONENTS

Our responsibility is to make arrangements for the provision of the components you book by relevant suppliers (such as flight seats only, hotel only, car hire only, etc.), but we do not have any responsibility for the operation of the component itself.

We have no liability to you for any dissatisfaction, loss of enjoyment, loss, injury or damage which results from your use of the Single Component unless we have negligently failed to select a normally competent supplier of the relevant component. In addition, we have no liability to you in any event for any consequential loss which you may suffer in relation to any arrangements which you book to coincide with the Single Component you've booked with us. In the event that we have any liability to you, our liability shall be limited in accordance with any applicable international convention.

25. FRAUDULENT COMPLAINTS OR CLAIMS

We accept that there are times when we need to compensate if things go wrong on one of our holidays, but we are aware that some holidaymakers are being encouraged to make fraudulent claims for compensation. We're committed to the prevention and detection of fraud to protect our customers and to try to keep the cost of our holidays as low as possible. We work with fraud investigators to help us identify fraudulent claims and if any complaint or claim is proved to be fraudulent in any way, such as, falsely claiming to be affected by an illness resulting from eating at the hotel, or exaggerating the effect a minor illness had on the enjoyment of the holiday, we'll take appropriate legal action to recover any sums that may have been paid out. We reserve the right to refuse to accept any future bookings from the person or people involved. It's a criminal offence to make fraudulent claims therefore we may also put the matter into the hands of the Police.

SECTION A - OUR HOLIDAY PRICES

Holiday prices are influenced by many factors. The price includes current taxes (such as air passenger duty), fuel and other associated costs known at the time of booking. Our prices are affected by changes in these costs, along with changes in exchange rates, suppliers costs and economic trends (see 'Extra Charges' within Section A - before booking).

Flight Options and the Effect on Your Holiday Price

The flight you choose will influence the price you pay for your holiday. When you book your holiday you will be quoted the current Adult/Child 'holiday price' which is the basic price inclusive of all applicable compulsory costs for the flight you choose. (This is with the exception of supplements for extra legroom seats or any other pre-bookable optional services not shown as being included).

Our holiday prices will vary:

- Due to where you fly from - our prices are usually based on a selected flight from London Gatwick or Manchester but (depending on the destination) we can often offer a choice of flights from these airports and other regional airports at higher holiday prices.
- The time of year/seasonality of your holiday - our prices give an indication of the peak and off peak travel periods with higher prices at certain times of the year. Regional variations in the demand for flights from local airports on different dates also influence the holiday price you pay.
- Day of the week and flight time - our prices are based on the lowest priced flight/hotel combination. Where we can offer flights departing between Monday and Thursday, at night time, these are usually better value than flights at weekends, during daytime.

Where we do offer a range of flights to a particular destination, on different days of the week or times of day, our lowest price will usually be based on a midweek, night-time flight option.

Accommodation Occupancy, Supplements and Restrictions

Prices vary, depending on the type of room, board basis (e.g. room only, self-catering, half board or all inclusive), the length of your holiday stay and if the dates of your holiday are popular. Prices are also based on the full adult occupancy of the room you choose, so if there's less adults in the room, then the price will be adjusted or supplements added. This applies to apartments, villas and studios and the costs vary depending on the date of travel. Infants and children don't count towards occupancy levels. Most properties have rooms for people travelling alone, these rooms are available on request by contacting us. (see also 'Single Supplements' in the Accommodation section of these pages for more details).

What the price includes

- Accommodation - prices are per person for each property. For hotels, the price applies to each of the two adults sharing a room. Apartment, villa and studio prices are based on the maximum number of adults sharing the accommodation and for fewer adults under occupancy supplements usually apply - see 'Under Occupancy Supplements' above.
- Meals - as described in the accommodation description.
- Return Flights - from a selected airport. The price of your holiday will be influenced by your flight selection and date of travel. See the Flight Options clause above for full details.
- Emergency Helpline providing 24 hour assistance when overseas (call charges may apply). See section E for full details of our In-Resort service.
- Taxes and Charges (known at the time of publication)
- UK and overseas airport taxes/fees - but excluding taxes/fees paid locally (see Section I in these Holiday Information pages for current applicable charges).
- Air Passenger Duty (APD) - prices include current government APD, subject to change and are published on hmrc.gov.uk. Our prices may go up or down if APD rates change.
- Aviation Fuel Costs (see 'Extra Charges - Before booking', within Section A).
- Charges for extra security, aircraft insurance, aviation and other associated costs.

- ATOL Protection Contribution (APC) - our flight inclusive holiday prices include the amount of currently £2.50 per person that we pay to the CAA who provides financial protection for your holiday.

What the price includes - Accommodation Only

- Accommodation - prices and the basis on which they are calculated, are shown within the price panel for each property. The room sizes available in a particular property are also shown in the price panels. Minimum/maximum stay and date restrictions may apply depending on departure dates.
- Meals - as described in the accommodation description on the property pages.
- Emergency Helpline - providing 24 hour assistance when overseas (call charges may apply). Depending on the holiday you book, you may also be able to use the services of our local agents or our Connected Resort Service (see section E for details).

What about transfers?

Return transport between your destination airport and accommodation in resort is included unless stated otherwise in the hotel description, pricing information or at the time of booking. The transfer will be on a mini bus or coach unless otherwise specified in the accommodation description or confirmed on your invoice excluding the USA, where transfers are available to most resorts at an extra charge. Transfers may be shared by customers from other tour operators within the Thomas Cook group and could make a number of stops en-route.

Sports Equipment on Transfers: if you're taking sports equipment (including but not limited to: golf clubs, scuba diving equipment, surfboards, windsurfs and bikes), carriage of sports equipment on transfer coaches is subject to space and extra charges may apply. Public transport/taxis will also be available locally, and you can also pre-book a hire car, although these arrangements will incur a charge and may take longer. For non-Thomas Cook Airlines flights, please consult your airline directly.

Direct Transfers: these are available when travelling to selected hotels and other guests pre-booking this service will also share the transport provided. Alternatively, you can book a private transfer. This is priced for a return journey, per taxi (standard saloon size car or minibus may be provided) with a maximum of four people per taxi. Luggage space may be limited with four people on board which may result in an extra taxi being required when you get to resort - any charge for this will be passed on to you. In many overseas countries, taxis may not have child or baby seats.

What about luggage allowance?

Luggage Allowance

Your hand luggage and hold luggage allowances have individual weight restrictions and cannot be combined together. Please refer to Section D - Your Flight, for more information regarding hold/hand luggage.

- Hold Allowance: the type of holiday you book and airline you are flying with, will determine your allowance for checking luggage into the aircraft hold. If you're flying with Thomas Cook Airlines, the standard luggage allowance is 15kg (20kg on long haul flights and 23kg to USA), but some holidays offer additional allowance at no extra cost. Infants travelling on Thomas Cook Airlines flights also receive 10kg hold allowance. For holidays including flights with other airlines, luggage allowances vary so please check carefully at the time of booking. On many of our holidays, when you book you'll be offered the opportunity to increase your hold luggage allowance for an additional charge. Additional luggage allowance cannot be added once travel tickets have been issued. Excess baggage will be charged if you exceed your allowance or if your bag exceeds the maximum size allowed.

- Hand Allowance: your hand luggage must be within the weight and size restrictions of the airline you're flying with. Please check the relevant airlines website for details. Thomas Cook Airlines customers can carry a maximum of 6kg hand luggage per person (excluding infants).

What about inflight meals?

Depending on the type of holiday you select will determine whether inflight meals are included in the price or payable extra. Check each holiday description carefully for details. A compulsory charge for an inflight meal will apply to selected bookings made within 4 days of departure - please check at the time of booking. Unless specifically requested and recorded separately on your invoice, a child will receive the same meal as an adult. Where a meal is not included, most airlines will offer the option to book and pay for an inflight meal when you make your booking. Dietary requirements can be requested but can't be guaranteed.

And what's extra?

- Holiday Insurance - you MUST be insured, please ask for details.
- Flight supplements - where applicable.
- Meal supplements - depending upon the board basis you choose.
- Under-occupancy charges/supplements if rooms are not fully occupied.
- Excursions.
- Charges made by accommodation - see 'Your Accommodation' (Section F of these pages) for more information regarding 'Local Charges'.
- Local taxes and fees - including arrival/departure taxes, entry visas, tourist cards. In addition, tourist taxes/resort fees might be payable at your accommodation. See Section I for more details. Taxes/charges can change or be introduced at any time.
- Deposits - All hotels in the USA ask to take a credit card imprint when you arrive, to cover payment for any extras (e.g. minibar charges). In some locations, hotels may refuse customers if they're not in possession of a valid credit card, whilst other hotels will require a cash deposit if no valid card can be provided. In some hotels, the deposit can be as high as \$100 per night. All car rental companies require a credit card as a security deposit.
- Excess baggage on aircraft - if you exceed your allowance, you'll be charged excess baggage fees. If you're taking sports equipment or have an oversized bag please refer to 'Section D - Your Flight' for more information.
- Late booking fee - an extra charge per person will apply for all bookings made within 15 days of departure. You'll be advised of the applicable fee at the time of booking.
- Possible surcharges - see 'Price Changes After booking' in our booking conditions.

Extra Charges - before booking

Prices include an amount to cover current fuel and other charges known at the time our holiday prices are decided. We reserve the right to alter prices, e.g. fuel and/or general supplements may be added if our aviation, security, taxes or insurance costs change. Please check the total costing, including any additional charges, with us or your Travel Advisor before you book.

Child Prices

Child prices are based on reduced travel prices and accommodation discounts where applicable. The number of children each room can accommodate varies. A reduced child price is usually available for the first child sharing a room with two adults. Sometimes restrictions apply to some rooms and space may be limited, particularly in hotels which are less likely to have rooms large enough.

Child price conditions

Certain hotels, resorts, tours and excursions may not be suitable for children or infants. You should read the guide description carefully to make sure that they meet your needs. Please ask your Travel Advisor if you're still unsure.

To qualify for a child price, children must:

- Share a room with at least two people paying the full adult price. There may be restrictions on the number of children on each booking, the room types or the board basis that child prices are available for, please check when you book.
- Pay any applicable holiday supplements in full (e.g. optional meal arrangements, flight extras, room upgrades). See also the 'And what's extra' section above before booking. Children DONT count towards apartment/villa/ suite/studio occupancy levels when calculating under-occupancy charges/supplements.
- Pay the full adult deposit. If the child price is less than the deposit amount the difference between the deposit and child price will be deducted from the final holiday balance.
- Not exceed the child age limit stated in the accommodation description (usually 12 years unless stated otherwise). Child prices can vary by the age of children, especially when travelling on scheduled flights. Airlines and hotels may apply different age limits for respective child fares and rates, which influence the child prices we can offer. Ages must be applicable to the relevant date of return. If an incorrect child age is provided at the time of booking, the full adult fare, plus any admin. fees may be payable before you can travel.

Infant price information:

Infants under two years of age on the day of RETURN pay £39 (short haul), £49 (medium haul) and £59 (long haul) on all flights with Thomas Cook Airlines (subject to change). These charges are for an infant sitting on an adult's lap. Charges for infants flying with other airlines vary, ask your travel advisor for latest prices. See also Section D - Your Flight and Section F - Your Accommodation for more information regarding Carriage of Infants and extra services required (e.g. cots).

Free Kids Places/Kids from £1

There are a limited number of holidays available where the first child is either free or £1 (plus any applicable supplements). These are available at selected properties when sharing a room with at least two full paying adults, on selected dates on flights with Thomas Cook Airlines. These places are very popular and go quickly, so make sure you book early. There are limited first child places available that are free or £1 and when these have sold out we will offer the first child our lowest available current child price at the time of enquiry. Just ask your Travel Advisor, phone us direct or visit our website to check the current child prices.

Promotional Publications & Discount Offers

Sometimes we may have special offers or discounts on holidays featured in this guide. These special offers may, for example, be made in a series of one-off or promotional publications and what's included in the holidays may not be identical to the packages featured in this guide. Where we make discounts available on our holiday prices, these may change on a daily basis and are subject to change without notice. We also reserve the right to withdraw discounts completely.

Long Stays

Longer stays usually require a minimum extended stay of one week if you're flying on a charter flight, whereas scheduled flights may give more flexibility. Just ask your Travel Advisor, phone us direct or visit our website to check prices and availability. Please note however that for stays beyond 21 nights, an additional flight charge may be applied of up to £599 per person. Check your holiday insurance covers the full duration of your stay. For stays of more than 90 days to Turkey and Tunisia, or 30 days to Egypt, please contact your travel advisor for important information on visas and associated costs. All extended durations are subject to availability.

Tours, Self Drive, Cruise Itineraries

These holidays include services from many different suppliers. Due to the demand for these services, it's not always possible to guarantee particular transport services and/or the hotels featured on a particular itinerary or departure date. We reserve the right to change any of the listed services and even alter the itinerary without prior notice. Where any alteration significantly changes your tour itinerary or tour dates, we'll make every effort to give you as much notice as possible. Changes may also be necessary once the tour has started, for example due to local conditions, and may include the sequence of visits being altered.

SECTION B - ADDED VALUE AND HOLIDAY EXTRAS

24 Hour Hotel Satisfaction Promise: Terms & Conditions

- This Promise applies to those pre-packaged holidays operated by Thomas Cook Tour Operations Limited with a minimum duration of 7 nights and which have our Added Benefits logo displayed next to the hotel description.
- Our description of the accommodation is:
 - the written description that is included in our guide or on our website when you made your booking; plus
 - Sections E (Your Resort) and F (Your Accommodation) of these Holiday Information pages; and
 - any updated information/changes to our guide or web site accommodation description that we issue to you at any time before you travel.
- If the cause of the accommodation not being as described by us is due to circumstances beyond our and the hoteliers control, (such as extreme weather, civil unrest, terrorist activity, industrial dispute), the Promise shall not apply, but your statutory rights remain unaffected.
- You'll need to contact our Resort service within 24 hours of your arrival at the hotel regarding any failure of the accommodation to reflect our description.
- If we need to provide alternative accommodation to resolve your issue, it will be of the same tour operator rating as the accommodation you booked and in the same destination.
- Provided we can resolve your issue, or offer you alternative accommodation of equivalent standard, within 24 hours of you contacting our Resort service, we'll have fulfilled our Promise.
- If we can't resolve your issue or provide alternative accommodation, and you choose to take an early flight home (and to receive a full refund), you'll have the right to be returned by the same means of transport to your original departure point at no extra cost provided that transport is available. This does not impose an obligation on us to make specific transport arrangements for you if none are available. Once we've arranged your early flight you must take that flight and your original return flight will no longer be available.
- Where the issue that has been raised affects all customers on a booking and cannot be resolved, the refund or discount voucher (as applicable) will be issued to the lead named person. If the issue doesn't affect all customers on the booking, the value of the applicable refund/discount voucher will be calculated based on the holiday price paid by each person affected by the issue and will be issued directly to the lead named person on the booking, even if the lead named person has not been affected by the issue.
- Where we're due to refund the holiday cost under this Promise (subject to point 8. above), such refund will be paid (by BACS) while you're in resort where possible, but in any event no later than 28 days after your return home. The lead name on the booking must agree to provide their bank account details to the resort Rep for this purpose, otherwise a payment whilst in resort won't be possible.
- If you choose the option of a discount voucher, subject to point 8. above, the voucher will be for 25% of the holiday cost per affected person including the basic flight and accommodation cost, plus cost of resort transfers and cost of room upgrades where these have been purchased by you, but excluding the cost of any other optional extras you've paid for e.g. car hire, parking, flight extras, extra luggage allowance, etc.). The voucher will be issued by email to the email address provided by the lead named person whilst you're in resort, where possible, but in any event, no later than 28 days after your return home. The lead name on the booking must agree to provide their email address for this purpose, otherwise it will not be possible to provide a voucher.
- The voucher will be valid for 12 months from date of issue, isn't transferable, and can't be exchanged for cash. It can be used in payment (or part payment) for a Thomas Cook package holiday that includes accommodation at one of the hotels to which the 24-hour Hotel Satisfaction Promise applies. The holiday can only be booked at a Thomas Cook store. The voucher will be subject to the further terms and conditions of use specified on it.
- This Promise does not affect your statutory rights, which you are free to exercise at any time.
- This Promise is made by Thomas Cook Tour Operations Limited.

Low deposit offers

If the low deposit offer is available, you'll be advised at the time of booking. The low deposit will be a sum that is lower than the full deposit that would normally be collected. If you take advantage of this offer, you'll be committing to pay the remainder of the full deposit by the date stated at the time of booking. Should you decide to cancel your booking before the date when the remainder of the full deposit is due, you'll remain liable to pay us the full deposit sum as a cancellation charge. Should we be unable to collect the remainder of the full deposit for any reason on the due date, we reserve the right to cancel your booking, and you'll then owe us the full deposit sum as a cancellation charge.

Choose Your Room

The Choose Your Room service is offered at selected hotels booked as part of a Thomas Cook package holiday. Selected customers, who have booked directly with Thomas Cook via our stores or website, will receive an e-mail around 6 days before departure, providing the option to choose and confirm a specific room at the hotel. The Choose Your Room service is available at a small fee. The choice of rooms will be of the same type/category as originally booked. Not all rooms will be available to select from. Upgrades are not possible with this service. The service can be withdrawn without notice. The service will not be offered to all customers due to operational reasons, as the hotel has to manage its daily room allocations and occupancy.

Make it extra special - our offers

We have special offers on many hotels. Some offers must be booked at the time of booking. Others are subject to availability on arrival at the hotel but must be requested when you book the holiday. Unless otherwise stated, offers are only valid at certain times of the year and generally apply to completed stays within the date banding, but this may vary according to the individual hotel. All offers are subject to availability and can be withdrawn or changed at any time without notice. Please note that some of the offers can't be combined. To gain the best from the offers featured, please read the conditions carefully or ask your travel agent at the time of booking.

Weddings

Unless stated otherwise all weddings are civil ceremonies, carried out by an authorised officer, and have the same legal status as those carried out in the UK. We strongly recommend that you obtain a copy of our Weddings brochure before booking, which details any additional costs such as legal fees and the legal requirements and documents required for each destination. We reserve the right to pass on any increases in applicable duties, levies or local government taxes.

You must book at least 12 weeks in advance A non-refundable deposit of £250 per couple or £50 per couple if choosing a complimentary wedding (to cover administration costs) is payable at time of booking. Please note, for some wedding packages a higher deposit may be required depending on the venue/supplier of the wedding. This deposit is in addition to the holiday deposit.

Complimentary room upgrades

Where applicable and unless otherwise stated, offers of free room upgrades will be determined by availability when you travel and your room will be allocated on arrival. If your room is upgraded, please note that this will not necessarily be to the next highest category we feature as we do not sell all room types at all hotels.

Honeymoons, anniversaries and birthdays

Many hotels offer honeymooners and guests celebrating anniversaries and birthdays special treats such as fruit, wine, flowers, candle-lit dinners, or free room upgrades (see also 'room upgrades' above). Where available, the hotel may ask you to produce a marriage certificate in order to benefit from the offers.

Group Booking Conditions

- A minimum of 10 adults or more is classed as a group booking. Groups with less than 10 adults but including children should be booked as separate bookings by your travel advisor.
- The group must book exactly the same holiday at the same time. We may allow large groups to travel from different airports and share accommodation, subject to availability and can confirm this prior to booking.
- Groups travelling for any duration other than seven or 14 nights are on request.
- Splitting large groups into smaller ones is not allowed.
- All customers must pay the deposit. A Group option can be held on holidays for seven days while deposits are collected. Price and availability are subject to change at any time whilst an option is being held, until all deposits are paid.
- All customers' names must be provided seven weeks before departure or at the time of booking (with deposits). When giving the customers' names, you must at the same time confirm your rooming list - this is who is to share a room with whom, otherwise we'll allocate rooms at random.
- Names may be required immediately at time of booking on some departure dates or destinations.
- Group discounts or offers may not be combined with any other discounts or offers including but not limited to discounted child prices from £1.
- Any person who acts as the group leader (whether or not they travel on the holiday), shall be the 'lead name' with all the usual responsibilities associated with that role as set out in our booking conditions. The group leader shall also be responsible for confirming all travelling customers to either the Travel Advisor (when booked through an ABTA member agent) or directly to our Groups department. Groups requiring special arrangements relating to flights (extra baggage; carriage of golf clubs, equipment etc.) or in resort (extra room hire etc) are subject to availability and may incur an extra charge.

Pre-school family offer

Available at selected hotels, all children on the booking must be 6 years of age or under on the date of return to qualify. The first child on the booking will pay the first child price applicable at the time of booking. The second child will also pay the first child price. Any subsequent children will pay the second child price. (Note to Travel Advisors: bookings meeting the required criteria stated above should be made under the special accommodation code displayed.) Child price conditions apply.

Late check-outs

Where you see this offer a late check-out room can be booked for a small charge when on a night flight. The room may not be the same room you stayed in during your holiday but will have a private bath or shower. These are subject to limited availability.

Offer on in-flight extras

The In-flight Extras Bundle is available on Thomas Cook Airlines or Condor flights to short and medium-haul destinations. This offer includes Choose Your Seat, inflight meals and an additional 5kg of hold luggage. Prices for each item will be confirmed at time of enquiry. You can save over 10% by purchasing this bundle compared to buying the items individually.

Flexi Book

Available with selected holidays for small fee, payable at the time you book your holiday. Flexi Book option gives you the flexibility to change your holiday up to 8 days before departure without having to pay any amendment fees. Only one amendment per person per booking is permitted. Child prices are available for under 12's. If you include Flexi Book on a booking that was made using a zero deposit (Direct Debit) promotion, you cannot make any changes to your booking until the cost of Flexi Book and the full tour operator deposit has been paid. Flexi Book (previously called 'Flexible Terms/Flexible Booking') is only available on selected charter package holidays and can only be booked outside of 56 days before departure and at time of booking or the following day. It is only valid if taken by all customers on a booking, including any customers subsequently added to a booking and is redeemable against a single amendment per customer. It is not transferable between customers on a booking, is non-refundable and is additional to the holiday deposit and cannot be used to re-book the same holiday at a different price.

This grid summarises what Flexi Book allows you to do:

Holiday Change	More than 84 days before departure	29-84 days before departure	8-28 days before departure	7 days or less
Destination	✓	✓ No price reduction on Long Haul	✓ No price reduction	✗
Date of departure	✓ up to 6 months later	✓ up to 6 months later	✓ No price reduction No later departure week	✗
Accommodation	✓	✓	✓ No price reduction	✗
Flight & duration	✓	✓	✓ No price reduction	✗
Passenger name	✓	✓	✓	✗

Up to 29 days before departure you can change your holiday date by up to 6 months later than your original departure date, but within 8-28 days before departure you can only change to an earlier departure date, or within the same departure week as your original departure date. Changes must be made outside of 7 days before departure, and if a holiday is changed under this offer, and the current system price for the new holiday arrangements is higher than your current booking then the difference will need to be paid, with the exception of a name change which does not alter the holiday price. If you make a change between 8-28 days of your departure (and between 8-84 days if your original booking was to a long haul destination) there will be no price reductions applied, and any increase in price for your new arrangements will need to be paid. Destination changes to long haul bookings made between 29-84 days will receive no price reduction if the new holiday is cheaper. Changes to departure dates made within 8-28 days before departure, can only be to holidays that depart earlier or within the same departure week. If you want to move to a later date then the booking would be treated under our standard amendment & cancellation policy. If the new holiday arrangements are booked as a 'Late Holiday', then the 'Late Holidays' Terms and Conditions would then apply to the booking.

If you have Flexi Book (or Flexible Booking/Terms) on your booking and a change in circumstances mean you need to change your holiday then please contact us using Live Chat or by calling 01733 224808. This offer can be changed or withdrawn without notice and is not available on all holidays - please enquire at the time of booking.

SECTION C - BEFORE YOU GO

Tickets & travel documents

Most airlines no longer issue tickets for travel and all you need to show when you check in is your passport. Please note carefully any instructions on your travel documents for completing advanced passenger information and/or online check-in directly with the airline or transport provider. The airline locator/reference shown on your documentation will be needed for this. We'd recommend you take your travel documents on holiday with you. A printed version isn't necessary if you have a copy that you can access on your mobile/tablet device. These do contain important information, such as our contact details. You may be asked to show proof of your booking when checking in at your accommodation.

Currency and money

We recommend you buy a Cash Passport for most of your holiday money and take a small amount of local currency. Major credit cards are also widely accepted in most destinations. In some cases local currencies may have to be purchased after arrival or there may be restrictions on the amount you are permitted to buy in advance.

Health Precautions

You should take health advice about your specific needs as early as possible. Visit the NHS Travel Health website for useful information at nhs.uk/Livewell/TravelHealth. Other sources of information include the following websites: gov.uk, hpa.org.uk, http://thomascook.masta.com/, nathnac.org or your General Practitioner. Where recommended, you should obtain vaccinations or tablets for protection. In some cases, treatments for Malaria should begin well in advance of travel. Also check any medication you are taking/prescribed is permitted in the country you are visiting. If you are visiting a European Union (EU) country you should obtain a European Health Insurance Card (EHIC) and take it with you when you travel. The EHIC can be obtained free of charge by completing an application form available from main Post Offices and from nhs.uk/using-the-nhs/healthcare-abroad/. Please note, the EHIC is in addition to Travel Insurance, not instead of it.

Travel Advice

The Foreign and Commonwealth Travel Advice Unit issues and frequently updates advice for those travelling outside the UK. We strongly recommend that you check this information before you go by accessing the latest Travel Advice on gov.uk/foreign-travel-advice

Travellers with reduced mobility, a disability or requiring special assistance – Overseas Accommodation/Transport Arrangements

Overseas accommodation, transport (including transfers) and other holiday services provided in destination may not be designed to meet the needs of all disabled holidaymakers. If you have any special requirements its vital you tell us before booking your holiday to make sure the facilities/services that you need can be arranged. Sometimes our suppliers might not be able to meet your requirements but we'll be happy to discuss other options with you. If special arrangements do need to be made, an extra charge may apply, this may be the case either before you go or when you arrive in resort.

– At the Airport and Onboard Your Flight

If you require assistance either at the airport or onboard the aircraft please let us know as soon as possible but no later than 48 hours before departure. For example, if you use a mobility aid, are visually impaired, use oxygen, or have any other medical requirements. Also, please note that if you are not self-reliant (capable of taking care of all your physical needs independently inflight), a carer may have to travel with you - please ask us for more information.

Contacting our Special Assistance Team: You can find more information about travelling with a disability or reduced mobility on our website: thomascook.com/special-assistance. For customers who require free support or advice prior to booking, please contact our dedicated Special Assistance Team on 0800 107 3409. We want you to have an enjoyable and carefree holiday so please make sure you use this service to request the assistance you need.

Passports and Visa checklist

- British Citizens holding a 10-year UK passport (five years for children), issued in the UK should note that some overseas countries (outside the EU) have an immigration requirement for a passport to remain valid for a minimum period after the date of entry to that country (usually six months).
- Non-British Citizen passport holders or British Citizens holding a UK Passport issued abroad or holders of British Subject Passports should contact the appropriate consulate or embassy for advice.
- Passport and visa regulations can change - check with your Travel Advisor or the relevant embassy well in advance of travel.
- Apply early: if you need to apply for a passport or renew an expired passport, you should do so well in advance of travel and at least four weeks before. If you are 16 years or over and have never had a passport in your own name, you should apply for one at least six weeks before your holiday. The UK passport service confirms your identity before issuing your first passport and will ask you to attend an interview in order to protect your identity.
- If a visa is required, don't leave it until the last minute - allow plenty of time. Your passport should have at least one blank visa page. (The number of blank pages required may vary by destination - check with the FCO).
- You may not be able to travel and insurance may be invalid if the names on your passport and travel documents don't match. If any member of your party changes their name, we must be notified immediately so that we can change booking documentation. Name changes are not always possible on scheduled airlines.
- All customers must make sure they have valid, acceptable passports, any required visa, any other documentation for both the final destination and any stop-off points en-route.
- Make sure advanced passenger information is submitted in advance of travel if the airline requires you to do this.
- If you don't hold correct documentation or submit incorrect details with advanced passenger information or visa applications this may result in refusal of carriage or entry to a country. Neither we, nor the airline will accept liability if this happens.
- You may be liable to pay fines, surcharges, other financial penalty, costs (including the cost of an immediate return flight) and any other sums of any description, which are incurred or imposed by the airline or incurred by us.

How to contact the Passport Office: General passport enquiries should be directed to the Passport Office. Visit: gov.uk/browse/abroad/passports or telephone: 0300 222 0000.

How to find out about visa requirements: The Foreign and Commonwealth Travel Advice Unit provides information about visa requirements and also provides contact details for the relevant Embassy. Visit: gov.uk/foreign-travel-advice. Please also refer to section 1 to read more about entry requirements.

Travelling with children or without an adult

Some countries (such as Portugal) require documentary evidence of parental responsibility before allowing lone parents to enter the country or, in some cases, before allowing the children to leave the country. For further information on exactly what will be required at immigration please check the FCO website fco.gov.uk or contact the relevant Embassy of the country you are travelling to. Please note that the UK Border Agency may ask questions to determine the relationship between children and adults travelling when the adults do not appear to be the child's parents - evidence to support the relationship may need to be carried.

Advanced passenger information

Some Tour Operators and Airlines are required to collect biographical information contained in the section of your passport that can be read by machine (such as name, passport number). This is 'Advance Passenger Information' and will be passed onto the e-Borders programme both prior to your departure from a UK Airport to all overseas destinations and on any journey to the UK. For details visit the UK Border Agency website: ukba.homeoffice.gov.uk. When requested to do so, you must provide this information before you travel. Please check your travel documents for details of how to submit this information as failure to provide the required data may result in carriage being denied.

Weather hazards

Sun: Make sure you take enough sun lotion with you as it can be hard to find locally. Make sure you use it, and go easy on the sunbathing, particularly in the first few days. Watch out for signs of burning, heat exhaustion or sunstroke (reddening skin, sleepiness, dizziness, headaches) and make sure you drink lots of (non-alcoholic) fluids to avoid dehydration. Visit the NHS Travel Health website for useful information: nhs.uk/live-well/healthy-body/before-you-travel/

Weather and Natural Disasters: As weather advice can frequently change, we recommend you check the latest FCO Travel Advice for your destination. Visit gov.uk/foreign-travel-advice

When a storm or natural disaster occurs, travel and accommodation arrangements may be disrupted. It's extremely difficult to predict the actual path, duration or effect severe weather patterns and seismic activity may have. The effects of actual or threatened bad weather and natural disasters are beyond our control (please refer to our booking conditions, section 'Circumstances Beyond Our Control' for details of our responsibility to you in these circumstances).

If a storm or natural disaster is forecast to affect one of our destinations, we'll work with local and international authorities, our Health and Safety/resort teams and local agents to try to minimise disruption and keep you well informed. It may be that an evacuation of your resort, or a delay or cancellation of your flight to or from the resort may be necessary. We're not able to offer any compensation in the event of changes to your holiday due to actual threatened bad weather.

Climate Information: where applicable if general climate information is included, it's usually based on information from the Met Office for a major city or airport in the area, but this can be some distance from the cities and resorts we feature. The information is subject to change and you should monitor the latest local and international weather updates issued by the Met Office visit: metoffice.gov.uk

SECTION D - YOUR FLIGHT

Flight Operation and Routing

Flight times, advertised when you book, are provisional, given for guidance only and are subject to change. The right is reserved to substitute alternative airlines and/or aircraft at any time. A direct flight may touch down en-route for re-fuelling, or to pick up and/or drop off passengers. You're not normally required to disembark and the flight is still considered to be a direct flight. A non-direct flight may require a change of aircraft en-route while a non-stop flight will take you directly to your final destination airport without stopping.

Airline (Operating Carrier) information

We'll let you know the operating carrier(s) or, if not known the likely carrier(s) that will operate your flight(s) at the time of booking. Where we're only able to let you know the likely carrier(s) at the time of booking, we'll tell you the operating carrier(s) as soon as we become aware of this. We'll tell you as soon as possible after your booking has been confirmed if there's any change to the operating carrier(s). Any change in the identity of the airline, flight timings and/or aircraft type will not entitle you to cancel or change to other flight arrangements without paying our normal charges except where specified in our conditions. For safety reasons, some airlines are banned from operating within the EU, you can view the list of banned airlines on the website: ec.europa.eu/transport/modes/air/safety/

Pre-bookable flight services with Thomas Cook Airlines

Thomas Cook Airlines is able to offer a number of pre-bookable flight services (extras). Please ask your travel advisor or visit thomascook.com for details.

Prices for extras usually vary according to the length of the flight which will fall into one of the following categories: short haul (around 3 hours or less), medium haul (around 4-7 hours); long haul (over 7 hours).

We recommend you book flight services at least seven days before departure as after this time not all services will be available and different cut-off times apply by destination to different services. For example, if you've completed online check-in, it may not be possible to make changes to flight extras.

If using the **Choose Your Seat** service not all seats are available to reserve and restrictions may apply on which seats can be selected. Sometimes the airline has to reallocate seats (due to operational, safety or security reasons) Thomas Cook Airlines offers a range of **in-flight meal** options, including children's, vegetarian, vegan, diabetic and gluten-free.

On selected routes you can **check-in online** 24 hours before departure when departing from the UK. On most of our long-haul flights we offer a seat back on demand **entertainment system**. The entertainment available includes varied content intended for younger children and older children/adults. A parental lock can be activated on your child's seat back entertainment system, at your request from Cabin crew once you are on board the aircraft. For more information about the above services, see your travel documents or visit thomascookairlines.com for more information.

Thomas Cook Airlines Easy Check-in

This complimentary service allows you to check-in your hold luggage for your return flight home, at your hotel. See our website for more details: thomascook.com/easy-check-in/. Available with selected flights only - details and luggage pick-up times will be available in your hotel or from your in-resort rep. For security reasons it's not possible to check in oversized luggage at your hotel, it must be checked in at the airport as normal. Service may be suspended or withdrawn without notice due to operational or security reasons. Luggage must be within your weight allowance or excess baggage charges will apply. When you've been given (or have downloaded) your boarding pass, you can proceed straight to security. There's no access to baggage once it has been checked-in, until your reaching the baggage reclaim area of the UK airport you're flying to. Service has no monetary value so if it's withdrawn, no refund or compensation will be offered.

Non-Thomas Cook Airline flight extras

If you're not travelling with Thomas Cook Airlines (or are travelling with Thomas Cook Airlines on one leg of the journey), the flight related services/extras shown may vary between airlines, and services are not guaranteed. Please check with your Travel Advisor for details of the services available on other flights. You can reserve seats together on selected other charter airline flights at the time of booking. Please ask your travel advisor about seating options with scheduled and low cost airlines.

Carriage of infants (0-23 months)

Infants must be over two weeks old to travel with Thomas Cook Airlines (other airlines may vary). The infant can sit on an adult's lap (please see Child Price Conditions (Section A - Holiday Prices) for Infant prices). Or, the infant can occupy a car seat (infants must be at least six months to occupy a car seat and you should check with your airline about any conditions/restrictions they have regarding the type of car seat permitted). The price of a seat for an infant will usually be the adult seat only price (but there may be discounts available).

Pregnancy

Regulations vary from airline to airline, but some will refuse to carry women who will be 28 weeks or more pregnant on the date of return travel. Please check with the airline concerned. We recommend that you also consult your own midwife or doctor.

Fitness to fly

You may need permission to fly from your doctor if you suffer from certain medical conditions, which may mean you also require assistance from the airline. Should you have any concerns about your fitness to fly and you're flying with Thomas Cook Airlines please visit thomascookairlines.com.

Baggage

For baggage weight and size restrictions, for advice packing valuables and taking medical equipment please check with your airline. You're also advised to check the latest government advice at gov.uk/hand-luggage-restrictions

Carriage of sports equipment

Thomas Cook Airlines charge for the carriage of sports equipment (this includes and is not limited to golf clubs, scuba diving equipment, surfboards, windsurfs and bikes). This equipment isn't included as part of your baggage allowance. Charges by other airlines may also apply for the carriage of sporting equipment, this may be payable either at the time of booking or at the airport prior to departure. If sports equipment isn't pre-booked, excess baggage charges will apply. Your sports equipment must be insured and may not be automatically covered by your travel insurance. Please refer to Section A - Holiday Prices for information regarding 'Sports Equipment on Transfer'.

At the airport

Check-in: We recommend that you arrive at least two hours before and advise all customers to check in at least 90 minutes prior to the scheduled flight departure time (three hours for a long-haul flight). All check-in desks close 60 minutes before the scheduled departure. If you don't check in at all for your flight from the UK, any other arrangements you have booked with us may be cancelled and you'll be unable to use your return flight to the UK. If travelling in a group, please make sure all members of your party are at check in. You'll then need to make sure that you're at the departure gate no later than 45 minutes before your departure time. If you don't check in or arrive at the departure gate on time, the airline is entitled to refuse to allow you to board the flight. We can't accept responsibility if this happens and whilst we try to help in making alternative travel arrangements to your resort, any cost incurred as a result will be your responsibility.

In-flight safety

The safety and welfare of customers is really important and we'll deny boarding or impose additional conditions of carriage on any customer who:

- is intoxicated and/or disruptive.
 - is found to be smoking on board our aircraft.
 - makes an inappropriate remark. Inappropriate remarks are considered as any comment or statement, which indicates they may be carrying a bomb (or other such explosive device), a firearm or weapon regardless of that person's intent or reason for making the comment or statement. Customers that are refused travel will be responsible for arranging alternative transportation at their own expense.
- Airlines only allow alcohol purchased from the on-board bar to be consumed on board.

Your Journey - Care in the air:

Larger customers, due to their size, may find that the aircraft seat width is insufficient for their comfort and safety and that of other passengers. If you do require additional space, then subject to availability, you can purchase an extra seat, located side by side or a wider seat in an upgraded class (where applicable). You'll have to pay the full cost of all seats required by you, plus any upgrade supplement per seat. If you wish to purchase extra seats, please contact your Travel Advisor.

The NHS has produced a 'Travel Health' guide to air travel which can be found on its website nhs.uk. This provides guidance on flying with different medical conditions. You'll find helpful advice on how to prepare for the cabin air pressure and preventing dehydration. You'll also find advice about Deep Vein Thrombosis (DVT).

Eurostar

To ensure you leave enough time to go through security, you should aim to arrive at least 45 minutes before your departure time. Please allow 60 minutes if you are travelling on the Avignon service or if you need any special assistance.

Eurotunnel and Ferries

You must check in at least one hour prior to departure but we do recommend you arrive at the port two hours prior to travel as traffic can be difficult.

SECTION E - YOUR RESORT

In-resort service

We'll be there to provide you with help and support when you are on holiday and you can expect the following service from us.

On your arrival: On arrival at your destination, our representatives or local agents will meet you and provide you with information about your transfer or car hire arrangements. A representative will not be present on all our transfer coaches but we've made all the necessary arrangements to make sure your transfer runs smoothly. If your holiday doesn't include resort service, you'll be provided with appropriate contact details for local suppliers before you go (together with an emergency contact number if you experience any difficulties).

At your accommodation: Connected Resort Service

All of our package holidays include our Connected Service which means you can contact us when you need us and at times that are flexible to your needs. Contact with our team will be by either phone, email, SMS, Skype, FaceTime or Web Chat (services available vary by resort). Data roaming and call charges may apply unless connected to a WiFi network. As a minimum, all our customers will be provided with an emergency helpline number so you can rest assured that there'll be someone to contact 24/7. Don't forget, our suppliers (such as accommodation or transport providers) will be contactable and you'll be provided appropriate contact details for them before you go.

Rep Visits - in addition to our Connected Service, where we promote our 'Added Benefits' in the accommodation description, this might include visits from our reps. The timing and frequency of visits is subject to change and will be displayed on our noticeboard in the reception/tour operator area of your hotel.

Complaints - in the unlikely event you need our help resolving an issue or complaint our representatives (or local agent, supplier or emergency helpline), will do their best to solve the problem as soon as reasonably possible and minimise any inconvenience. There may be times when they're unable to solve a particular problem immediately. While appreciating that this may be upsetting for you, we do expect our customers to behave in a reasonable manner. Consequently, should any customer act in a threatening or intimidating manner towards our staff or appointed agents, we won't hesitate to take appropriate legal measures.

Resorts

In low season, resorts can be quiet with some facilities in limited supply, and there may be occasions where hoteliers or providers of services withdraw a facility temporarily or otherwise because of lack of demand. If you would like to visit particular attractions, we recommend that you check their availability in resort as they may have to close at short notice because of the weather or for routine maintenance.

Resort development

There's a possibility that building work may be taking place as resorts and hotels continue to develop. If we believe this is likely to affect your booked accommodation, we'll tell you at the time of booking or, if you have already booked, you'll be contacted before departure if there's time. Please refer to the Booking Conditions, section 'Circumstances beyond our control' for more information.

Conditions in holiday resorts

If there's a specific problem affecting your accommodation, you should report this to the accommodation staff, and if necessary to our representative, who will do their best to help sort things out.

Insects: Ants, mosquitoes and cockroaches for example - are common in hot countries. They don't mean your accommodation is dirty or unhygienic, but obviously the sight of such creatures can be off-putting if you are not used to seeing them. If your hotel has an open-air restaurant, it may attract local birds and cats, some of which might try to share your food though hotels do their best to discourage them. Please don't feed birds or cats or other wildlife.

Noise: Some resorts are within built-up areas or other places where noise is common. Road traffic or aircraft noise may be heard (if you are near a flight path). Noise is also often caused by birds and local wildlife, and by local activity such as speedboats, calls to prayer and customs (for example, festivals and religious celebrations), and is often part of the travel experience.

Electricity: Depending on your location, there may be blackouts. Please be patient if this happens.

Local Events and Religious Festivities

Local events, religious festivities and public holidays may affect the services and facilities within the hotels and around holiday resorts at certain times. In Muslim countries, dates of religious feasts and festivals are fixed by local sightings of the moon so we cannot work out when they'll be beforehand. Ramadan, which is observed for one month each year, is a period of fasting when the pace of life is slower, public areas are busier and there are certain restrictions. For example, consuming food in public, drinking alcohol and use of restaurants. Ramadan is expected to run for a month from approximately 5 May 2019 and 23 April 2020. Also the Muslim New Year is different to the Christian one and during this period many shops and restaurants may be closed.

Alcohol Consumption

Local laws may restrict alcohol sale and consumption to individuals of a minimum age, which may be higher or lower than the UK. Also, there may be local laws specifying a minimum age for access into clubs, bars and pubs.

Smoking

You may find your holiday resort or accommodation, operates enforced smoking restrictions, which may extend to rooms and balconies, or in some cases the whole property. To find out more visit the FCO website fco.gov.uk

Your Safety and Wellbeing on holiday

We want you to have an enjoyable and safe holiday, so it's important that you and your party take a few sensible precautions to stay safe and well while in resort. It's particularly important if you have children with you, as they won't be as conscious as you of any potential hazards or risks. We know your top priorities may be fun, sun and relaxation, but you won't be familiar with your accommodation and surroundings, so we'd recommend you take a little time at the start of your holiday to note things such as fire evacuation procedures, safety rules for use of the swimming pool area(s) and instructions for using any unfamiliar cooking appliances. If you've any questions, just ask your representative or an appropriate member of staff. It's important that you take note of any other information you're given or that is on display too.

Overseas Safety Standards: You'll use accommodation and other services during your holiday that are provided by local suppliers who have to comply with the applicable health and safety regulations of the country you're staying in. The standards they have to follow may not be as high as those we enjoy in the UK. For instance, the design and height of balconies may be different, and there might not be a lifeguard at the swimming pool. Please bear this in mind during your holiday.

Using swimming pools and water features safely: Please always use the pool shower facilities before swimming - this helps to keep the pool clean and helps prevent any potential infections. Every pool is different so make sure you look at the pool layout, and that you know which are the deep and shallow ends before you or anyone with you uses the pool. Please don't dive in, and take care when walking round the pool as floor areas will be wet and slippery. Children must always be supervised by a responsible adult. Don't use the pool after dark or when the pool is closed, even if the pool has underwater lights. You should never swim or use slides when you've been drinking alcohol. Most hotels don't have lifeguards so it's your responsibility to observe all notices and rules for safe use of the pools, slides and water features, and to take common sense precautions at all times.

Stomach Upsets: Holidays are all about new experiences and this may include enjoying the local cuisine. Different food, too much sun, drinking fizzy drinks or more alcohol than you would usually drink at home can sometimes result in stomach upsets and feeling unwell.

Here are a few tips on how to prevent illness on holiday.

- Don't stay in the sun for long periods and always wear a hat and sunscreen
 - Keep hydrated by drinking bottled water and use this to brush your teeth
 - Wash your hands before eating and after using the toilet and handling money. It's helpful to carry a hand sanitizer with you
 - Make sure hot food looks thoroughly cooked and is still hot when served.
 - Avoid salad if it's likely to have been washed in tap water
 - Avoid any uncooked food apart from fruits, vegetables or food that can be peeled or shelled
 - If you have a food allergy, always ask for information about ingredients before eating, and ensure that you make the hotel reception aware of your allergies when you check in
 - Be aware that alcohol measures abroad may be larger than in the UK. Please drink alcohol in moderation
- Should you become ill, it's important you tell us (using the contact details for our resort staff you'll find on your documentation and at your hotel) and that you arrange to see a doctor whilst in resort. If you think your illness might have been the result of something you ate at the hotel, we'll need to look into this with the hotelier so it's important that you can let us know what the local doctor has diagnosed as the cause of your illness. We'll need you to follow our Complaint process (see our Booking Conditions, Section D) otherwise we won't be able to help you.
- Out and About:** Due to rough terrain and uneven surfaces, we recommend that you are extra careful when visiting temples, other sites of interest and when crossing roads. Crimes against people and property are a fact of life throughout the world and you have the same responsibility for your own safety and your belongings while you're on holiday as you do at home. It's best not to approach cats, dogs and other animals as these may carry the rabies disease which can be passed on through bites and scratches. Please be careful when going into the sea as the seabed changes in depth and the sea is capable of springing surprises and we've not inspected the beach or seabed for its safety. We may include information on different types of activities (such as sports and water sports in resort), transport services (e.g. local buses/taxis), excursions or establishments available in the local area. We don't own or operate any of these and they're mentioned by way of a guide only, any information, availability and prices we include are subject to change. If you choose to book services locally, we recommend you check your travel insurance covers any services you book and take part in and that you go to know the company providing the services and any conditions that apply and documentation you are given.

Carbon Monoxide

Carbon monoxide (CO) is a poisonous gas, which we can't see, smell or taste. It's produced by the incomplete burning of fuels, including coal, wood, charcoal, oil, kerosene, propane, and natural gas.

Gas Appliances

Our policy is not to use accommodation with internal gas water heaters. If you have concerns that there may be a gas water heater within your sleeping accommodation, please contact us immediately.

Signs of Carbon Monoxide

The examples below could be a sign of leaking carbon monoxide due to a faulty heater:

- A weak or 'lazy' yellow or orange flame on a hob or gas boiler - it should be a bright crisp, blue flame
- Dark stains or black marks on or around the heater
- A pilot light that regularly goes out
- A large amount of condensation in the room and on the windows

Symptoms

As carbon monoxide is invisible to the human senses, we may not know that we're being exposed to it. The initial symptoms of poisoning are similar to the flu but without fever. They include: headache, fatigue, shortness of breath, nausea, dizziness. High level poisoning results in more severe symptoms, including vomiting, confusion, loss of muscular coordination, loss of consciousness.

The severity of these symptoms depends on both the carbon monoxide level and the amount of time exposed to it. If the exposure is at a low level over a period of time, it can be mistaken for the flu, and if nothing is done, it can result in avoidable and tragic consequences. Exposure to high levels of carbon monoxide can cause the person to quickly become confused and they can lose muscle control without having first experienced milder symptoms.

If you are experiencing symptoms of Carbon Monoxide poisoning

If you ever think you're experiencing any of the symptoms of carbon monoxide poisoning, go outside to fresh air immediately and contact a doctor straightaway for a proper diagnosis. Prompt medical attention is essential. Tell the doctor that you suspect carbon monoxide poisoning to be the cause. As well as seeking medical help, please make sure that no-one remains in the accommodation and that you immediately report the matter to reception or another appropriate person at the accommodation. If tests confirm that you have suffered from carbon monoxide poisoning, please contact us immediately either through your in destination representative or the Thomas Cook 24 hour helpline number in your travel documentation.

Golf

If you intend to play golf, please familiarise yourself with any required handicap (including certificates) and dress code or equipment requirements of the course you'd like to play. Selected hotels offer discounted green fees to their guests. Generally, these are bookable and payable locally via the hotel. Please note, play may be restricted due to local weather conditions, course maintenance or competitions.

If you're taking golf clubs with you, these need to be booked separately for both flights and in resort transfers. Your golf clubs should be insured and secured in their bag.

SECTION F - YOUR ACCOMMODATION

Official Ratings & Our Ratings

The rating shown is the tour operator's own rating or the rating provided to us by our 3rd party suppliers. It's intended as a guide for comparison purposes and an attempt to give a guide to the overall quality of properties. These ratings are usually based on the views taken from customer feedback and of senior managers in both the UK and overseas. Where applicable, official ratings are given by the authorities in the country, and do tend to give a fair impression of relative standards within that country. However, different countries have different standards: so don't assume that a 3-star hotel in one country is equivalent to a 3-star hotel in another.

Hotel Reviews

We know that it's also important for you to consider what other people think of the hotels we feature. That's why we show TripAdvisor ratings which take into account traveller ratings for a variety of categories such as quality, service and value. We also use feedback from our own Customer Satisfaction Questionnaire's to score how customers have rated their 'Holiday Overall' and 'Accommodation'.

Travelife Awards

There are award logos featured on selected property pages. Travelife awards are given for efforts in environmental improvement. Find out more about hotels featuring the Bronze, Silver and Gold Travelife Awards at: its4travel.com.

Adult Exclusive/Adult Only accommodation

All of the hotels featured as Adult Exclusive have been carefully chosen with adults in mind. Most hotels therefore have a minimum age limit of either 16 or 18 years. Generally hotels enforce age restrictions strictly, although there may be times when younger children are accepted and may be seen in certain areas of the hotel (for example, during private functions, wedding receptions etc). Where age restrictions apply or if hotels accept children but have a designated 'adult exclusive area' within the hotel complex, current details known by us will be shown in the description but hotels' policies are subject to change.

Accommodation and Room Types

When we mention room types, in most cases you can expect to receive a room similar to that described. Please note however that whilst room categories in different hotels may have the same or similar names, the criteria for their classification is likely to differ, as these are the names the hotels use and they do not have standard definitions. We don't always sell all room types at all hotels. When you make a booking we'll pass on the details of the room type you've selected to the hotelier, but it may not always be possible for them to provide a room type/configuration exactly as booked. In all types of accommodation described below, if there are less than the maximum number of persons in your own party, and if you haven't paid any applicable room supplements/under-occupancy charges, the room type you are given may contain less than the maximum number of beds indicated. Rooms occupying more than two people may consist of any combination of double, twin, camp, sofa or rollaway beds.

Hotels and Hotel Rooms

The term 'hotel' is used to describe various types of accommodation and does not necessarily distinguish between local classifications such as 'aparthotel', 'holiday village', 'holiday complex'. Sometimes hotels' change the name of the chain through which they are marketed (e.g. Hilton). If such a change occurs at your hotel you'll only be advised if we believe it's a significant change in facilities or standards. Accommodation can, at times, have a lively atmosphere, and facilities and entertainment may vary according to the mix and ages of guests in residence. Many hotels we feature do operate corporate conference facilities and there may be occasions where business meetings are taking place during your stay.

Room Information

- **Twin and Double Rooms:** A 'Twin' is a room with two single beds and a 'Double' is a room with a double bed. A double bed may be two single beds with double bedding.
- **Single Rooms:** A 'Single' or 'Twin for sole use' is a room with one or two single beds.
- **Rooms sleeping up to four people:** Some hotels have rooms that sleep up to four people. In some hotels 3rd and 4th beds may be only suitable for a child, but in other hotels there may be a reduction available if four adults share the room. Rooms for up to four people may not be any larger than standard twin or double rooms so space is likely to be limited and the room may be cramped. Where rooms do accept extra beds, some hotels may require an additional local charge to be paid which can vary by destination, please ask for details when you book. In most cases extra beds for children are only suitable for children aged 12 years and under. Though we'll do our best to help, please note that we can't guarantee the room layout or type of beds that you'll be given.
- **Suites/Junior Suites/Villas:** A Suite and Junior Suite usually contain a lounge/living area. A Suite is likely to contain a separate sleeping area whereas in a Junior Suite the sleeping area may not be completely separate. Room layouts can vary by destination. Our descriptions of Suites/Junior Suites and Villas usually state the number of people who can occupy the room type (e.g. two-four people). Children paying less than the full cost don't count towards occupancy of the suites/junior suites or villas.

Studios and Apartments

It's not unusual in some countries (especially those in the Mediterranean) to have beds with concrete bases. Although initially supplied, it is usual in some Greek studios and apartments for toilet rolls not to be re-supplied.

Studios: A 'studio' is a living/sleeping room in one, usually with divan/sofa beds, basic kitchen facilities (usually two cooking rings and a fridge) and a shower room.

Apartments: An apartment is self-contained with one or more bedrooms with twin/double beds, basic kitchen facilities (usually two cooking rings and fridge) and shower room. One bedroom apartments usually have a separate living area, though in Greece multi-bedroom apartments may not have a separate living area. Apartment descriptions indicate the number of adults who can occupy an apartment (e.g. two-four people). This will not always mean that at the time of your stay the apartment will contain the maximum number of beds, if there is less than the maximum number of people in your own party. Beds in the living area may be of the folding type or sofa beds.

Infants (children under 2 years of age)

See also Section D - Your Flight for information regarding 'Carriage of infants' on a flight. Please note in the interest of health and safety, every infant travelling must be accompanied by an adult, i.e. two infants travelling must be accompanied by two adults. There may be a charge locally for infants for use of services or facilities in the accommodation. In each accommodation description we state the maximum number of occupants a room or apartment can accommodate: this number can include ONE infant unless otherwise stated. If you need to book more than one infant into a room, please contact us before booking, as we'll need to check with the hotel/apartment manager. For any bookings made which exceed this stated maximum and which we are told can't be accommodated, we reserve the right to pass on the cost of any additional/different rooms/apartments required to accommodate the booking.

Views from balcony/terrace

Rooms described as having a pool or sea view may not have a full pool or full sea view because of plants or buildings blocking the view.

How many nights are spent in your accommodation?

Your accommodation is usually reserved for you from between 12pm and 4pm on the day of your departure from the UK. However, at some larger hotels, delays may occur with check-in whilst your room is prepared for you. For night flights departing between 0001 and 0400 hours, the day of departure is deemed to be the previous day. In some cases, depending on your flight times, you may arrive in the early hours or during the course of the morning. Your accommodation should be immediately available to you, and in this case this is classed as the first night of your holiday. Rooms are normally vacated at the internationally recognised time of 12pm on the last day of the holiday. However, there are some resorts where 10am is common. Sometimes there may be several hours to wait before the departure of your flight home. When this happens a room may be made available for changing and storing luggage. Sometimes hotels will let you keep your room but they are entitled to make a charge. This is not normally possible with apartments: if you are on Half Board, Full Board or All Inclusive it's possible that you may lose a meal owing to your own particular flight times.

Dining

Providing meals from a self-service buffet is popular in hotels. We include the most up-to-date information we have about meal service in our accommodation descriptions, but occasionally arrangements will change. Breakfast will be of the 'continental' type unless stated otherwise. In certain properties, extended or 'English' type breakfasts are available and may be at an extra charge. Many properties are not necessarily used to catering for special diets and therefore if you have specific requirements, you may find that the choice is limited. Please note hotels occasionally change the style of food and may, during periods of low occupancy, close restaurants at different times of the year. Some hotels operate meal sittings, which means meals must be taken at set times.

Dress Code: You may be required to wear long trousers whilst dining in hotel restaurants. Swimwear may not be permitted. If this is a concern then please contact the hotel for information.

Choice of restaurant: Wherever more than one restaurant is advertised, meals for Bed & Breakfast, Half Board, Full Board and All Inclusive guests will be taken at the main restaurant (usually buffet-style), unless otherwise stated. Where meals can be taken at alternative restaurants, a reservation is usually required. Restrictions on the number of visits per stay may be in operation and a cover charge may apply. Hotels may apply child age restrictions for à la carte restaurants.

What is a Half Board & Full Board Plus holiday?

Half Board Plus hotels include continental breakfast and dinner as standard, but also include drinks with meals. These vary by property and can comprise of both alcoholic and non-alcoholic drinks. Full Board Plus is the same but with lunch included. Some hotels may include additional services or facilities in their 'Plus' package, please see the hotel description for exact details.

What is Sunwing/Sunprime Inclusive?

Sunwing and Sunprime branded hotels offer an 'inclusive' board basis (sometimes known as 'Club Board'). This includes buffet breakfast every day plus lunch & dinner buffet 5 days a week (based on a 7 night stay). Selected drinks are included at meal times only. For Sunprime hotels, there's a maximum of one drink per person. For more information check out the hotel's description on our website.

24hr All Inclusive

Refers to hotels offering one or more elements of their All Inclusive package for up to 24hrs. For example, 24hr drinks or 24hr snacks. Hotels operating 24hr drinks may have some restrictions, for example, there may be periods of up to an hour or more daily when drinks (particularly alcoholic drinks) may be unavailable in between opening and closing time of on-site drinks outlets. Depending on the operation of your individual hotel, room service may be available during this time and/or hotels reserve the right to serve soft drinks for selected periods during this operation.

What to expect on your All Inclusive Holiday

Our All Inclusive holidays include:

- All your meals provided with a minimum of buffet breakfast, lunch and dinner every day
- Local alcoholic and soft drinks available for a minimum of 12 hours per day.
- Most hotels also include snacks, activities, entertainment and other benefits. Our descriptions are based on information from the hotel management, please allow for some facilities or activities to be altered or substituted, as hotels regularly review and update what they offer as All Inclusive, especially in low season. You can find more up to date information about the All Inclusive package on our website. **Please also note the following:**
- **Identification:** When you arrive at your hotel you are likely to be provided with some form of identification (it may be a card, necklace, bracelet etc), which will have to be shown when ordering drinks, meals and other included facilities. Make sure you take care of this, as a charge may apply to replace it.
- **Behaviour:** hotels reserve the right to withdraw use of facilities of any guest(s) whose behaviour is such that it is, in the opinion of the management, detrimental to the enjoyment of the other guests.
- **Alcohol:** Having drinks freely available throughout the day can be a temptation to over-indulge. Please therefore consider your fellow guests (and your own health!) while bearing in mind that hotel management have every right to refuse service to guests they believe to be intoxicated or under age (in accordance with local law).
- **Bottled mineral water:** Whilst locally produced bottled mineral water is included as part of most all inclusive packages, this service can't be guaranteed.
- **Locally sourced drinks/snacks:** The included facilities and services are clearly stated in the 'All Inclusive/ Full Board Plus, Features/Option' section. Drinks included are generally only locally produced brands. Cocktails, international drinks (imported from other countries but not necessarily recognised in the UK), international brands (recognised in the UK market), premium brands and fruit juices are not available unless stated. The type and variety of snacks served (between meal times) will vary between hotels and resorts, and may be of a more traditional/local variety.
- **Restaurants:** Please refer to the earlier section on 'Dining' for information about meal arrangements.
- **Sports, leisure and entertainment facilities:** Not every All Inclusive hotel provides sports and leisure facilities or entertainment and the quality of those that do may vary. Please see 'Entertainment and sports facilities at your accommodation' paragraph below for more information.
- **What's Not Included:** anything we highlight as payable locally you'll have to pay for. If you choose a hotel that offers a choice of different board basis (e.g. Bed & Breakfast, Half Board and All Inclusive), our description of activities/facilities may include services that are not included in the all-inclusive package. For example, some bars/restaurants may not be free of charge.
- **Coming home:** Most hotels remove access to All Inclusive facilities, including food and drink at the time of check-out, which is generally 12pm on the day of departure.

Entertainment and Sport Facilities at your accommodation

A charge may be made locally for entertainment and the use of some hotel facilities where these are not included as part of an All Inclusive package. Not all hotels provide entertainment, and the quality will vary. Outdoor sports and facilities are subject to weather conditions (e.g. watersports, outdoor bars etc). All sports and leisure activities are subject to availability. The hotel may have a system restricting the number of times and hours of use of certain facilities to ensure all customers can enjoy them. You may be required to pay a deposit for some sports or leisure facilities, which will be refunded upon the return of the undamaged equipment. Some hotels may have additional conditions before refunding the deposit (e.g. not to exceed the time limit of usage). For safety reasons guests could be denied the use of sporting equipment if the hotel's sporting instructor feels they are not competent. In most cases relevant instruction is available but may incur a cost. Age and height restrictions may be applied by the hotel for certain activities and facilities. For safety reasons some sports are not available to younger children or children without adult supervision. You should make sure watersports and other similar sporting activities you wish to take part in are covered by your own holiday insurance. Some activities/watersports may be considered to be hazardous pursuits by some insurance companies.

Local Charges

Unless we describe that a service or facility is part of an 'all inclusive' package, you may be asked to pay a charge locally. Here's a few examples of what you might expect to pay for locally:

- Daily car parking charge at some hotels/apartments.
- Entertainment and activities away from your accommodation.
- Highchairs, cots, hotel-run Kids' Clubs and meals for infants.
- Meals and beverages from certain restaurants and bars at your accommodation.
- Certain premium drink brands or à la carte meal options and the use of certain eateries and bars at all inclusive hotels.
- Safety deposit facilities, room service, minibar, television/ satellite television, telephone calls, WiFi, air conditioning and sea views.
- Facilities and equipment such as pool towels, sunloungers, parasols, cabanas, whirlpools, indoor pools, sauna, table tennis, billiards, bowling alley and darts and other sporting equipment.
- Local taxes payable on check-out or resort fees payable on check-in.

Single Supplements

If a single person occupies a double room they'll usually be asked to pay extra (a single supplement). Hotels price their rooms as doubles and they don't reduce the rates if they are occupied by a single person. Single rooms may be smaller and have different facilities to standard rooms. While there is normally a supplement for these rooms the overall cost will usually be less than when a single person occupies a double room.

Air Conditioning

Unless otherwise stated air conditioning will be centrally controlled. This means it is operated at the discretion of the management, both in bedrooms and public areas. Air conditioning may be restricted to particular times of the day and to the hottest months of the summer. There may be a local charge for air conditioning in some rooms.

Internet access and Wi-Fi areas

Access to the internet may be through terminals in the reception area, a dedicated room/internet café or available more widely through hotels using wireless networks. In all cases we can't guarantee an uninterrupted service; connection may be restricted at certain times of the day and technical issues may mean it isn't available. Wi-Fi networks may be subject to usage/download limits, restrictions may apply to the number of devices that can be used per room and connectivity/strength of signal may vary throughout the property. Access to the internet/Wi-Fi may be subject to local charges.

Television channels

As many hotels we feature have satellite television shown in rooms, we recommend that you use the same care and supervision with children watching television, as you would at home. Some channels may be of an adult nature. We can't guarantee the availability of English language channels.

Cleaning and Property Maintenance

The standard and frequency of cleaning and linen change can vary depending on general standards in resort and the rating of your accommodation. From time to time it will be necessary for certain facilities to be withdrawn for general maintenance purposes. Water and electricity suppliers may be interrupted whilst this essential maintenance is undertaken.

Swimming Pools and Slides

Swimming pools come in various shapes and sizes and may not always be clearly captured by our photography. Pools may be freshwater or saltwater and vary in depth. Sometimes hoteliers welcome local people not residing at the accommodation to use the swimming pool and facilities which can lead to the pool areas becoming busy at times. Some pools feature a range of slides and water features. Opening times of these may be restricted during

the day, usually to a minimum of one hour 30 minutes in the morning/afternoon and are also dependent on weather conditions and hotel operating policies. Facilities may not be available throughout the season. It is vital that safety recommendations are followed. Please refer to Section E - Your Resort for more information regarding 'Safety and Wellbeing on Holiday' when using swimming pools and slides.

Pool Closures

Pools and slides may be closed at certain times due to bad weather, low temperatures or maintenance. If we are told in advance of a planned closure for an extended period we'll let you know. Please see our Booking Conditions ('Changes Made By Us Before Travel') for more information on availability of advertised swimming pools/slides.

SECTION G - FAMILY HOTELS AND KIDS' CLUBS

Hotel-run Kids' Club (including childcare)

The level of service, staff qualifications, ratios and facilities at hotel-run kids' clubs/childcare vary. These clubs should operate to local standards applicable in the destination, but those standards may be lower than the UK. We're unable to accept responsibility for, or give any guarantee for, the standard of the facilities and qualifications of personnel at hotel run clubs. You must make sure that you're completely satisfied with the facilities and staff providing this service before you enrol your child or children into the club and into the clubs' care. Some hotel kids' clubs that are open to younger (pre-school) children, may require parents/guardians to stay with their children during the kids club sessions.

Thomas Cook Group Kids' Clubs and Kids' Activities

Lollo & Bernie Kids' Clubs, Junior Club and Teen Club: These clubs include varied activity programmes, tailored to different age groups. Most sessions are free and a small charge applies to others. Places are limited so admission will be on a first come first served basis and subject to your agreement with our policies/procedures available from our representatives. This includes a parent/guardian signing each child in and out of the club when our staff feel it's safe to do so. Our Clubs for 3-7 and 8-11 years are open several days a week, for a mix of morning, afternoon and evening sessions. Our Teen Clubs operate July and August only.

At certain times we may open the club to all the family so children under 3 are welcome to attend. These are facilitated activity sessions where a parent or guardian must be present at all times and is responsible for the child. We operate a strict adult to child ratio so that our kids clubs operate to similar standards of childcare facilities in the UK. Please see specific hotel pages for opening dates for all our clubs. Programme is subject to change.

Sunwing Mini Land (featuring Lollo & Bernie) & Teen Lounge: At Sunwing hotels advertising a Mini Land (for 3-7 yrs) and a Teen Lounge (for 8-15 yrs), activities include an 'open house' (for Mini Land) and 'chill out' (for Teen Lounge), during which your child can use the child/teen facilities provided you (the parent or guardian) are present all the time. However, there'll also be Adventure Game sessions (usually 4 times a week for 3-7yrs) and Evening Happenings (a minimum of once per week for 8+yrs). Each session lasts around 1.5 hours, activities will be supervised by Sunwing staff and there is a charge of around EUROS 7 per child, per session. Programme is subject to change.

SECTION I - VILLA HOLIDAYS INFORMATION

Villa holidays

Please note that for villa bookings made up of two booking references or more we cannot guarantee that the villa will be situated together and therefore we do not recommend sharing a vehicle.

Your Villa Accommodation

Accommodation descriptions on the website specify general details of the property. Please take time to study the following key points with regard to your chosen holiday accommodation. Most of our featured villas can be found within residential communities and are individually owned and decorated to reflect their owners' personal taste, whilst maintaining the highest standards of furnishings and fittings. Villas may be detached, single or two storey properties and most have a private driveway.

Location

Access to many of our villas may be along an unmade track or an unlit country lane, so we advise bringing a torch.

Mobile telephones

Given the rural location of some of our villas and the fact that many properties do not have telephones, we also recommend taking with you a mobile telephone with appropriate overseas compatibility.

Beds

The 'extra beds' in some of our villas are sofa beds or folding beds.

Equipment

A reasonable supply of cooking utensils, cutlery and crockery appropriate to the maximum occupancy of the property can be expected. If this amount is insufficient, it should be reported to our resort staff. Please note that cleaning products are not usually provided. Bed linen and bathroom towels are provided on arrival for the relevant number of occupants. An iron and ironing board are available in all our private villas and can often be requested from reception (where applicable) in villa complexes.

Where a washing machine is advertised for use by arrangement with the housekeeper, a small charge may be levied to cover washing powder and/or the housekeeper's time. In the unusual event of a malfunction of electrical equipment requiring the services of a specialist engineer, our resort staff will endeavour to minimise any inconvenience, but it should be noted that engineers have specific call-out patterns and it may take up to seven days before repairs can be made.

Maid service

Accommodation is fully serviced prior to your arrival. In Florida a spare set of linen is provided for your use. Maids are not responsible for laundry or washing up. During a one week holiday towels will be changed once. During a two week stay towels will be changed twice and bed linen will be changed once.

Housekeeping services may not be declined by guests under any circumstances and we ask that both accommodation and housekeeping personnel are treated with respect.

Maintenance and repairs

Maintenance and routine repairs have to be carried out on occasion to maintain the standards of service you and we expect. Our resort staff also carry out regular quality control checks throughout the season and we appreciate your cooperation in this respect. It is your responsibility to report any defects, damages or breakages immediately to an appropriate person in the interests of your safety and the safety of future holidaymakers.

Television

Television if provided, will show local channels, some of which may or may not feature English-speaking programmes. Satellite and/or cable television, where advertised, does not include access to subscription channels such as Sky Movies or entertainment channels and Sky Sports. News channels and Eurosport are usually provided, but as satellite and cable television service providers may alter transmission and reception facilities, we do not guarantee the provision of any specific satellite channels. We can't guarantee the availability of English-speaking channels.

Air conditioning

Where a property is described as having air conditioning, this usually means it will also have heating supplied from the same unit.

Villa amenities

Each of our featured properties is equipped with a kitchen or kitchenette with a gas or electric cooker or mini-oven (unless otherwise stated), a refrigerator, often a microwave oven and all necessary cooking utensils; an iron and ironing board; shower rooms or bathrooms as described in the villa details, all with washbasin and WC (bathrooms feature a full or half-sized bath, many with shower attachment or hand-held shower) and a swimming pool with dimensions as detailed, most accessed by Roman steps or ladder. Some of our Algarve villas are fitted with a security alarm.

Swimming pools

Swimming pools and gardens are maintained by employees or the contract staff of the accommodation management and as such require access to properties to keep pools and gardens in excellent condition. Outdoor swimming pool dimensions (at widest point) are detailed in the individual villa descriptions. If your accommodation has an infinity pool it should be noted that this style of pool may have an open drop from the pool edge so extra care should be taken, especially with children. Swimming pools at properties come in various shapes and sizes. Pools may be rectangular, free form or lagoon style and the size of the pool may not always be clearly captured by our guide photography. Pools may be freshwater or saltwater and vary in depth. Please refer to the 'Safety and hygiene' section for important safety advice about swimming pools.

Roof terraces

Roof terraces, where advertised, should be accessed with caution and are not recommended for unsupervised children. In some cases, roof terraces may be gated as they are unsuitable for use.

Barbecues

Portable or built-in barbecues are offered at many properties and are generally detailed within the accommodation description if available. In some resort areas barbecues are not available under any circumstances due to local fire regulations.

Extra charges

Unless otherwise stated, you should expect to pay for the use of air conditioning safety deposit boxes, all sports facilities including table tennis, pool and billiard tables, minigolf, watersports, tennis, squash, use of gymnasiums, saunas, steambaths etc. and entrance to nightclubs or discos. Some properties make a charge for sunbeds, pool towels (if available) and parasols.

Building and road works

Holiday accommodation needs constant maintenance and occasional refurbishment and as the demand for new accommodation increases, extensions to existing buildings or brand new properties are constructed. Building or road works may start early in the day and can occur throughout the season, although the majority is carried out during low season. We are in no way responsible for building or road works, nor can we control the extent or noise levels of such work. However, we try to keep track of any planned or on-going construction in our featured resorts and will, wherever possible, advise you of any such activity which might significantly affect your holiday.

Water and energy

In certain areas, particularly those of a rural and mountainous nature, electricity and water supplies may occasionally be erratic. Solar power is a common source of energy which, although providing adequate hot water in the afternoon, can result in tepid water at other times of day and when the weather is cloudy.

SECTION K: FLORIDA CAR HIRE

Alamo car hire with Fully Inclusive or Alamo Gold insurance is recommended and is available as an additional extra. Car hire needs to be booked to suit your parties requirements - the details on this page will help you choose the car and insurance package that is right for you. All cars are air conditioned with unlimited mileage, automatic transmission and radio as standard.

INSURANCE TYPES & PRICING

The table opposite is a quick reference guide to the insurance options for your car hire. Please read the definitions and additional information section to find out more. The price of your car with Fully Inclusive or Alamo Gold insurance varies depending on the type of car you book and duration of rental.

It is important to have adequate cover to protect yourself against severe financial risk in the event of total loss of the vehicle, damage or accidents with a third party, especially as some US drivers carry little or no insurance. We offer car hire with Fully Inclusive or Alamo Gold insurance - we recommend upgrading to Alamo Gold for additional benefits including a free tank of fuel and up to three additional drivers. If you choose to upgrade in resort, this may be more expensive so we recommend you pre-book the insurance package to suit your needs. Pre-booking your car and insurance also allows you to budget well in advance and gives you valuable peace of mind knowing you won't be met with numerous additional charges when you arrive.

CAR TYPES

The below grid shows the maximum number of people and bags that each vehicle can accommodate. Please consider how much luggage you will have when choosing your car.

DEFINITIONS & ADDITIONAL INFORMATION

Extended Protection - Extended Protection is included with Alamo's Fully Inclusive and Gold insurance policies at no extra cost. EP provides you with minimum financial responsibility limits (at no charge to you) as outlined in the applicable motor vehicle financial responsibility laws of the state where the vehicle is operated AND excess insurance provided by the insurance policy. This supplies you and any authorised drivers with third-party liability protection with a combined single limit per accident equal to the difference between the minimum financial responsibility limits referenced above and \$1,000,000 Combined Single Limit per accident. EP will respond to third party accident claims that result from bodily injury, including death, and property damage that arise from the use or operation of the vehicle as permitted in the Rental Agreement. This is a summary only and is subject to all provisions, limitations, exceptions and exclusions of the EP policy. Upon request, a copy of the policy is available for review. EP may provide a duplication of coverage which you may have under a personal or other insurance policy, but we are not able to advise you on the adequacy of any other cover you may have.

Collision damage waiver - CDW relieves you of all responsibility for a collision and covers you for all damage to the hire vehicle up to its full retail value. There will be no excess to pay. Alamo will replace a vehicle unless your negligence has caused the accident or breakdown, or if you've broken the law. CDW does not cover you if the vehicle:

- Is damaged when driven in a reckless manner or deliberately damaged
- Is damaged when driven off road
- Interior components are stolen/damaged when vehicle is unlocked/keys aren't secure
- Is in an accident, stolen or vandalised and the renter fails to report it to the authorities within the time specified in Alamo's own terms and conditions (typically 24hrs)

Airport user/operating fees - this covers Alamo's recovery fee to cover all or part of its airport expenses where it is an on-airport concessionaire. These fees are included in Alamo's Fully Inclusive and Alamo Gold insurance packages.

Florida state surcharge/local taxes - anything you pay for locally will have a local sales tax applied of 6.5% so we recommend pre-booking any optional extras before travelling.

Fuel - your car will come with a tank of fuel. For customers with Fully Inclusive insurance, you can choose to simply return the car with a full tank or pay this up front at the time of rental - the charge for this will be based on mid-grade fuel. If you don't return the car with a full tank, any missing fuel will be charged at a rate higher than the local garages to your credit card. If you have purchased Alamo Gold insurance, you get a tank of fuel free, so you don't need to fill up before you return the car.

Additional drivers - there's a charge of \$15 per day for each additional driver payable locally subject to local taxes. Additional drivers must present a valid driving licence and meet minimum age requirements. Additional driver fees are included in Alamo Gold insurance packages.

Young driver surcharge - the minimum age for hiring a car in Florida is 21 years. Drivers under 25 years will also need to pay an additional young driver surcharge of \$25 each per day plus taxes. You'll need to pay Alamo a deposit of \$100 a week. You can use cash or give them a credit card imprint.

Child seats - child seats are compulsory for under-6s and cost from \$6.99 a day for each seat on arrival (subject to availability, payable locally). There is a maximum charge of \$70 per car seat, per 30 day rental. You'll be responsible for installing the infant/child seats and ensuring this is the right size for your child. You can use your own infant/child seat, but please check any baggage restrictions with your airline.

Sat Nav/GPS - there's a charge of \$8 per day for sat nav hire (subject to availability, payable locally). This can also be pre-booked.

Toll roads - there are numerous toll roads within Florida and across the USA. The renter is responsible for all charges incurred for using these roads. Customers have the option (where available) to pay \$3.95 per day (maximum \$19.75 per rental) for a Toll Pass Convenience Charge, so any tolls incurred on applicable roads during the rental will be charged directly to their credit card. The toll pass will only be charged for the days that the toll roads are used.

Optional Extras - Alamo offer a flexible policy on optional extras. If you opt for discretionary extras on arrival but then later decide you don't want them after all, provided you return to the Alamo depot and tell them within 24 hours, they'll remove the charge and you won't have to pay a price for changing your mind (first 24 hours is non-refundable).

IMPORTANT INFORMATION ABOUT OUR CAR HIRE YOU NEED TO KNOW

Identification (Driving Licence & Passport) - a full valid driver's licence and credit card in the name of the lead drivers name and passport need to be presented in order to be allowed to pick up the vehicle. The driving licence must be the original copy (photocopies not accepted).

Payment / Pre-Authorisation /Security Deposit - a valid credit card in the lead driver's name. The driver must produce a valid credit card in their name with enough credit on it to cover any applicable excess charge. If the vehicle carries a zero excess or no additional items are required, a security deposit of \$1.00 will be ring-fenced on the card to ensure the card is valid.

Please note: without CDW cover (explained above), Alamo will require you to produce a credit card with at least \$1,500 available credit. Thomas Cook strongly recommends pre-purchasing one of its fully inclusive packages.

Returns: Alamo uses a 24-hour system. It means you need to return your vehicle by the same time as when you originally picked it up. Alamo will allow 29 minutes' leeway on returns from the time you picked the car up on the first day of your holiday. If you exceed this 29 minutes' grace period, you will be charged a further day's rental at the local rate.

Minimum Age: The driver must be twenty-one (21) years of age to be allowed to hire the car (subject to payment of the Young Driver Surcharge for ages 21-24).

Alamo Terms & Conditions: Full terms & conditions of your Alamo car hire can be found at: <http://www.alamo.co.uk/helpfulinformation/US> and FAQ's can be found here: <https://alamo.custhelp.com/app/answers/list>

At the time of collection you'll be required to sign a rental agreement with Alamo. By signing, you accept Alamo's terms and conditions. Please ensure that you read the rental agreement before signing, as this is a legally binding document. Any extension to the pre agreed rental duration is subject to availability, will carry a local charge and will be classed as a separate rental.

Alamo reserves the right to change local fees/charges without notice.

TIPS WHEN DRIVING IN FLORIDA

A car gives you total freedom to come and go as you please. Even if you're not planning to explore, a car is useful for getting around, and it means you won't be hanging around for public transport. Finding your way around by car is relatively simple as the roads are straight and all the attractions are well signposted. Here are a few more tips to help you when driving.

- Don't forget to drive on the right.
- Carry your driving licence with you at all times in case you're stopped.
- There are no roundabouts, but plenty of traffic lights at intersections. Unless signposted, you can turn right at a red light (after stopping and checking there is no traffic coming from your left). On a flashing red light, you can still turn right with caution.
- You can overtake, or be overtaken on the inside AND the outside - so check your mirrors. Never overtake a yellow school bus if it has stopped and its red lights are flashing!
- The speed limit is generally lower than the UK (between 20-40 mph in cities and usually between 55-70 mph on rural highways). These limits are strictly monitored by the local police - so beware!
- Seat belts are compulsory in the front seats. Children up to age 6 years must be strapped into an approved car seat.
- Drink driving should be avoided at all costs. If you need to carry alcohol, make sure it is in the trunk (boot).
- Some of the major attractions have rather large car parks, so remember to write down the exact location. Most rental cars look alike after a long day of sightseeing!
- Driving times featured are based on the average times between the two locations stated. Please allow extra driving times during congestion/busy peak periods.
- Please check with Alamo before leaving the depot, to see if there are any driving restrictions on your route.
